Fire Officer One & Two

Elk Rapids Fire Department will be hosting a Fire Officer I and II series course this spring. This course will meet the requirement of Mi. OFFT course entitled Company Officer I & II, course number E12B. Course number is: 2019-1-05-E12B-0296

Students must be a current employee of a Michigan fire department, have 3 years of experience in the fire service, must be fire fighter 1 & 2 certified, and have completed the fire officer pre-requirements.

Cost will be \$500 per student. We will invoice the departments after the beginning of class. We will provide a textbook for each student as part of this fee.

Classes will be every other Saturday beginning Feb. 23 from 8 am to 6 pm. There will be a break for lunch. There will be a test the last day of class. Students must attend all 6 class sessions and pass the test to receive a pass for the course.

Classes will be held on these Saturdays:

Feb. 23

March 9

April 6

May 4

March 23

April 20

This is a closed course so it does not appear on SMOKE (but students will receive credit on SMOKE). Please call or email ERFD to register. Class size is limited.

Be advised that according to information being offered by the OFFT this course along with the pre-requirement classes will disappear from the offerings of the OFFT in Oct. and be completely replaced with a new Fire Officer series. However, if a student completes this series entirely before Sept., then the certification will remain valid.

Thank You
Chief Peter Van Den Berge
