Answering "yes" to the following question may not automatically prevent you from obtaining a license. In evaluating your good moral character, the department will consider whether the substance of your former offense is reasonably related to the profession to which you are seeking a license. Also, please know that you may request a preliminary determination from the Department concerning whether any court judgments against you would likely result in a denial of a license for failing to meet the good moral character requirement. More information about requesting a preliminary determination can be found at www.michigan.gov/bpl.

If you answer "yes" to this question, you must complete and submit the Request for Conviction History form AND submit documentation which shows at the current time you have the ability to, and are likely to, serve the public in a fair, honest, and open manner, that you are rehabilitated, or that the substance of the former offense is not reasonably related to the occupation or profession for which you are seeking a license. Documentation may include a certificate of employability, if applicable.
