R 792.10707 Burden of proof.

- (4) The complaining party has the burden of proving, by a preponderance of the evidence, that grounds exist for the continuation of a cease and desist order.

R 792.10712 Limited license; reclassification; standards and procedures.

Rule 712.

- (1) The limitations on a license shall continue until the expiration of the period of limitation set forth in the order or until the license is reclassified pursuant to this rule, whichever is later. The period of limitation set forth in the order is a minimum period.
- (2) A petition for reclassification of a license that has been limited shall be made in accordance with this rule.
- (3) If a license is limited for 1 year or less, it is presumed that the petitioner meets the requirements of section 7316 or 16249 of the code, MCL 333.7316 or MCL 333.16249, unless 1 of the following provisions applies:

- (5) A petition, with supporting affidavits, shall not be filed for at least 1 year after the effective date of the order imposing the limitations, unless otherwise provided in the order.
- (6) Within 30 days after the petition is filed, a complaining party may file a response to the petition. If the response opposes the reclassification, a hearing shall be scheduled. If the petitioner fails to appear at the scheduled hearing, either in person or by counsel, the petitioner shall be deemed in default. If a response is not filed or if the response does not oppose reclassification, the disciplinary subcommittee shall review the petition with supporting affidavits and shall determine whether the requirements of section 7316 or 16249 of the code have been met. If it is found that the requirements have not been met, the petitioner shall be notified and, within 30 days after service of the notice, may request a hearing. The petition for reclassification shall be deemed denied if the petitioner does not file a timely request for a hearing.
- (7) After a hearing has been completed, the disciplinary subcommittee shall determine whether the petitioner has satisfied section 7316 or 16249 of the code. The disciplinary subcommittee may deny the petition or grant the petition subject to such terms and conditions as it may deem appropriate.
- (8) A subsequent petition for reclassification shall not be filed with the department for at least 1 year after the effective date of the order denying reclassification, unless otherwise ordered by the disciplinary subcommittee.
