MOTION PREVAILED

Chairperson's Report

Klapp expressed his appreciation for board member and public attendance at the Board of Chiropractic meetings.

OLD BUSINESS

Radiology Concerns – Elaine Barr

Barr and Carpenter addressed the Board regarding a concern of radiologists Michigan consulting with out of state professional radiologists not licensed in the State of Michigan. Carpenter first stated that Michigan does not regulate radiologists. Then she further clarified that for a DC with a radiology specialty, there is an exception under MCL 333.16171 of the Michigan Public Health Code if the radiologist was called in for consultation by a DC.

NEW BUSINESS

Health Professional Recovery Committee Report – Gordon Roberts

Roberts stated that there are 217 HPRP providers in Michigan. He mentioned that the HPRC feels that the 45 day intake deadline is important because it keeps everyone on

task. However, the biggest concern with HPRP was the 45 day intake period. HPRP articles have been used in professional journals. He mentioned they would like to see a short notice go out to health professionals to help promote awareness and the benefits of HPRP.

Request for CE Waiver

MOTION by Dean, seconded by Griffin to approve the request for waiver of continuing education requirements for Susan Frances Morrison, DC

Discussion was held.

MOTION PREVAILED

MOTION by Dean, seconded by Reno to approve the request for waiver of continuing education requirements for David Lim, DC. Huta and Griffin abstained from the vote.

Discussion was held.

Chiropractic Care and Pain and Symptom Management

Klapp expressed concern over the lack of mention and representation of the Chiropractic profession on the Pain and Symptom Management web page. Klapp and Dean discussed how the Chiropractic profession is instrumental in providing care to those who deal with chronic pain. The Board mentioned they would like to see Chiropractors added to the list of professionals that are involved with helping patients deal with chronic pain.

The Board also requested an update regarding the rules on Human Trafficking training. Carpenter stated that there was a public hearing on the rule change and a single comment was received. Once she receives the transcript, she will complete a report for the rule to be finalized. She anticipates the rule should be filed in February or March of 2016.
