

## BARBER SHOP

A person shall not render the services of a barber, with or without compensation, on any person other than his or her immediate family unless the person is licensed under this article.	§1104(1)
The licenses of the barbershop and all barbers working in the barbershop shall be displayed in a prominent place visible to the public at all times. The license of an individual barber may be posted at the barber's work station.	§1111(4)
A barbershop shall be completely portioned from a dwelling and shall not be occupied for lodging or residential purposes.	§1111(2)
Operating in an unsanitary manner; failure to abide by sanitation standards set forth in rules authorized under this article.	§1118(c)
Willfully violating the health and safety rules of any political subdivision.	§1118(d)
Hiring or permitting an unlicensed person or student to work in a barbershop as a barber.	§1118(h)
Operating as a barber from premises not licensed under this article, except as otherwise provided in this article.	§1118(i)
All premises used by the Licensee shall be maintained in a clean, safe, and sanitary condition. The premises shall be free from all of the following (a) Dust, (b) Mold, (c) Mildew, (d) Insects, (e) Rodents, (f) Vermin (g) and other sources of contamination or potential causes of health or safety hazards or nuisances.	R 31(1)(a-g)
Floors, walls, ceilings, fixtures and furnishings shall be kept clean. Open windows and doors shall be screened to prevent the entry of insects.	R 31(2)
Waste containers must be kept closed with a lid or hinged-door and emptied when full and at least once every 24 hours. Waste containers must be cleaned and disinfected at least once every 24 hours unless lined with a plastic bag that is disposed of each time the waste container is emptied.	R 31(2)
Equipment and supplies stored separately from storage for any other purpose. Soiled or used towels or rubbish are not allowed to accumulate on the premises or adjacent areas. Used towel and rubbish storage may not be adjacent to storage for clean supplies. Covered containers or cabinets must be provided for clean supplies that are not wrapped for sanitation.	R 31(3)
Toilet facilities shall be furnished on the premises unless public toilet facilities are reasonably available.	R 31(4)
Licensed premises shall have stationary washbasins located within the licensed premises. Washbasins used to satisfy the sanitation requirements of these rules may not be in a restroom or out of view of the work area where services are performed. Each basin shall be connected to a pressurized water system with hot and cold running water and with adequate drainage and disposal of waste into a public disposal system or septic tank.	R 31(5)
Licensed premises must comply with all regulations of the political subdivision in which they are located and with state and federal building codes, health regulations, and fire safety regulations.	R 31(6)
Before being used on a patron, tools and equipment used for barbering must be wiped clean and sanitized using 1 of the following methods: (a) Exposure to ultraviolet light at a distance of not more than 8 inches for not less than 2 minutes from a germicidal lamp that has a strength of not less than 15 watts. Tools sanitized in this manner must be kept mechanically clean. (b) Thoroughly washing the tools and equipment in a detergent solution and placing the rinsed equipment in a container holding a chemical sanitizing agent. Chemical sanitizing agents acceptable for such uses are those registered for use in interstate commerce by the United States Environmental Protection Agency. After sanitizing, the tools and equipment must be stored in a covered container. (c) Sharp-edged tools must be wiped with a 70% alcohol solution.	R 33(1)(a-c)

## BARBER SHOP (CONT.)

When not in use, tools and equipment that are intended to come in contact with a patron and are capable of storage in a covered container must be stored in a covered container.	R 33(2)
Tools and equipment must be maintained in a sanitary and safe condition and in good working order.	R 33(3)
The reuse of unsanitized finger bowls, common powder puffs, common sponges, and paper and cotton items is prohibited. Such items must be sanitized before reuse or must be discarded.	R 33(4)
Small items of equipment, including combs, brushes, rollers, clips, pins, head coverings, caps, permanent waving rods, protectors, and supplies, must be maintained in a sanitary condition, must be stored in covered containers, and, to minimize the possibility of accidental, unsanitized reuse, must not be carried about between work areas on the person of a licensee.	R 33(5)
The use or storage on licensed premises of styptic pencils, lump aluminum, or drops, washes, and treatment of the eyes is prohibited. Only powdered or liquid astringent applied on a clean towel, cotton or gauze may be used to stop bleeding.	R 35(1); (2)
(1) A clean, fresh paper or cloth towel shall be used for each patron. (2) A headrest on a barber chair shall be covered with clean, fresh paper or cloth before each use. (3) A hair cloth or cape shall be used on each patron. A clean towel or sanitary paper or cloth neck strip shall be placed around the neck. (4) After being used on a patron, the towel or neck strip must be placed in a covered container with a hinged door or lid. (5) Creams and other semisolid substances be covered when not in use and must be removed from their containers with spatulas. Fluids or powders used on a patron must be applied from a bottle or shaker-type dispenser. (6) Wash hands before each patron and shall make all reasonable attempts to prevent the spread of communicable diseases or skin lesions.	R 37(1-6)
Adhere to proper blood spill procedures.	R 39(1)(a-f); (2)
