

**LARA/BPL Communication Regarding
CPA Exam Extensions due to COVID-19**

June 23, 2020

Due to the COVID-19 pandemic and associated social distancing guidelines, Prometric Testing Centers have closed through at least May 31st for all testing programs. Currently, CPA examination candidates are required to request an extension from the Department of Licensing and Regulatory Affairs (LARA) of the rolling 18-month examination window. LARA in partnership with the Michigan State Board of Accountancy will provide for an automatic extension of the 18-month rolling window to December 31, 2020 for those candidates with window expirations between April 1 and December 30, 2020. This is being done to be consistent with the allowance also offered by the National Association of State Boards of Accountancy (NASBA).
