BENTON HARBOR DEPARTMENT OF PUBLIC SAFETY PRESENTS:

## LEADERSHIP AND RESILIENCY TRAINING

This seven-hour training module is taught by author, speaker, and former Marine, Silouan Green. He has worked with first responders for over fifteen years on issues of resiliency, peer support, and mental fitness. A survivor of a tragic jet crash as a US Marine and someone who overcame severe PTSD, he understands personally what it takes to overcome the trials of life. As a mentor and teacher to many law enforcement and fire departments across the country, he is committed to helping all our heroes. From volunteers to large departments, rural to urban agencies, Silouan has worked across the spectrum of first responder experiences.
