**Commissioner Quimby, that the bulletin for ADA's reporting dates be approved as written and presented, motion carried by unanimous vote.**

**IV.** Old Business – There was no old business to conduct.

**V.** New Business

Commissioner Weatherspoon asked Harold McGovern, President of NWS, Michigan, Inc., if liquor could be ordered through the internet for delivery to Michigan. Mr. McGovern advised it is not legal and it would be hard to collect the taxes on this type of sale unless the shipper was made responsible for remission of taxes to the state. Commissioner Weatherspoon would like to see internet decoy operations set up to purchase wine and/or spirits from the various websites offering online ordering and shipping of alcoholic beverages. He advised the cyber world is overtaking us and we need to get ahead of the game to ensure public safety and the collection of revenue.

Chairman Deloney stated we may need a broader set of actions to deal with these issues and asked Mr. Hagan if we can do more than decoy operations. Mr. Hagan responded that Enforcement has been working on this issue for a few years. He advised that beside the decoy operations, the Commission could issue letters to these vendors stating taxes could be assessed and include a warning regarding sales in Michigan. Chairman Deloney stated that the Commission will continue to research this issue.

**VI.** Public Comments – There were no public comments.

**With no further business, moved by Commissioner Quimby, supported by Commissioner Weatherspoon, that the business meeting be adjourned at 11:49 a.m., motion carried by unanimous vote.**
