

CHILD CARE PROVISIONAL LICENSE WAIVER
STATE OF MICHIGAN
 Department of Licensing and Regulatory Affairs
 Child Care Licensing Bureau

The Child Care Organizations Act (PA 116) allows for the issuance of a provisional license when a licensee is temporarily unable to comply with the licensing rules or PA 116. The law includes information about the rights of licensees when a provisional license is recommended. These rights are listed in MCL 722.117a(3).

I understand that the department has recommended issuance of a first second third provisional license. I also understand the rights afforded to me. With notice of these rights, I have decided to:

- Accept issuance of the provisional license. By accepting the provisional license:
1. I agree to waive my right to receive written notice of the reason for the proposed modification of my license, to have 30 days to appeal the proposed modification to provisional, and to request an administrative hearing to contest the reason for the proposed modification of my license to provisional.
 2. I understand that my license will be modified to provisional status for six months.
 3. I understand that I must still submit an acceptable corrective action plan.
 4. I understand that halfway through the provisional period, I will receive a renewal packet.
- Contest the issuance of the provisional license. By contesting the provisional license:
1. I am requesting written notice of the reason for the proposed modification of my license.
 2. I understand contesting the issuance of a provisional license begins a disciplinary process.
 3. I understand that I must still submit an acceptable corrective action plan.
