### **IMPORTANT CONTINUING EDUCATION CLARIFICATION**

This message is intended to clarify the Department's message to licensed real estate professionals dated July 21, 2017.

Changes to the continuing education requirements will NOT go into effect until the next licensing cycle that begins on November 1, 2018.

This means that your annual requirement for 2 hours of eligible legal continuing education must be completed by December 31<sup>st</sup> for calendar year 2017. However, because 2018 represents a renewal year, all renewing licensees should complete their remaining continuing education prior to the October 31, 2018 renewal in order to satisfy attestation requirements within the renewal application and to avoid any late renewal fees.

Starting November 1, 2018, CE hours will be counted for each license cycle year. A license cycle year is defined as the period of November 1 through October 31. While licensees will be required to complete 2 hours of eligible legal continuing education within each license cycle year, all other required credits may be completed at any time during the license cycle.

Should you have questions regarding this email communication or the continuing education requirements please contact our office at (517) 373-8068 or email to [BPLHELP@michigan.gov](mailto:BPLHELP@michigan.gov).
