- (1) On December 9, 2020, PMAM Inc., and/or employees of the licensee engaged in an illegal occupation or illegal act upon the licensed premises, contrary to Rule 436.1011(1), specifically: allowing indoor gatherings at a food service establishment, contrary to sections 2(a)(2) and 3(b)(1) of the Michigan Department of Health and Human Services Gatherings and Face Mask Order dated December 7, 2020.
- (2) Failed to cooperate with commission investigators and/or obstructed commission investigators in the course of inspecting or investigating the licensed premises, while enforcing the Michigan Liquor Control Code, contrary to Section 217 of the Michigan Liquor Control Code, MCL 436.1217, and/or contrary to Rule 436.1011(4).

NEGOTIATED SETTLEMENT

David Bajorek, attorney at law, on behalf of the above-noted Licensed Corporation, and Assistant Attorney General Daniel Felder representing the Commission and all law enforcement agencies involved in this matter submitted a Stipulation for Proposed Negotiated Settlement. The Corporation entered a Negotiated Settlement acknowledging the two charges as cited pursuant to Section 903 of the Michigan Liquor Control Code, MCL 436.1903, and Rule 436.1909(1) of the Michigan Liquor Control Commission (Commission).

The Attorneys proposed the following Negotiated Settlement for the Administrative Law Judge to consider pursuant to Section 903 of the Michigan Liquor Control Code, MCL 436.1903, and Rule 436.1909 of the Michigan Liquor Control Commission (Commission):

PROPOSED NEGOTIATED SETTLEMENT

(1) The Licensee will fully acknowledge the two charges as cited in the complaint;

(2) The Administrative Law Judge will enter the Violation Report and its attachments into the record as substantive evidence; the Administrative Law Judge further will take notice of the prior record of this Licensee, since being licensed by the Commission at the above-noted location under the current ownership;

(3) As a penalty, the Licensee will agree to pay a fine of \$300 for each charge for a total fine of \$600 and serve a suspension of 7 days from the date of the scheduled hearing, for the two acknowledged charges in the complaint; and

(4) If found responsible for any further violations involving COVID-19 related orders from the State of Michigan, the Licensee shall serve an additional 60-day suspension to run consecutively, and not concurrently, with any other suspension ordered by the Commission; and

(5) Both parties will agree that there shall be no appeals on these matters to the Appeal Board of the Commission or any court of law.

ORDER

The summary suspension is hereby dissolved.

In determining whether to approve the Negotiated Settlement as proposed above, the Administrative Law Judge considered the Licensee's total record, which shows one prior violation (sale to a minor in 2006) since being licensed on December 29, 1987, at the above-noted location under the current ownership.

The Administrative Law Judge accepts the terms and conditions of the proposed Negotiated Settlement and Orders as follows:

The Administrative Law Judge accepts the Licensee's Plea of Acknowledgment to the two charges as cited.

The Administrative Law Judge accepts the Violation Report and its attachments as substantive evidence. Further, the Administrative Law Judge accepts a true copy of this Licensee's record since being licensed by the Commission at the above-noted location under the current ownership.

The Administrative Law Judge finds that, based on the Administrative Documents, on December 9, 2020 the Licensee allowed indoor dining/gatherings without facemasks contrary to Rule 436.1011(1), contrary to the Michigan Department of Health and Human Services Gatherings and Face Mask Order dated December 7, 2020 and failed to cooperate with Commission investigators and/or obstructed Commission investigators' investigation of the licensed premises contrary to MCL 436.1217 and/or Rule 436.1011(4).

As agreed upon by the parties, the Administrative Law Judge Orders a fine of \$300 for each charge for a total fine of \$600. Further the Administrative Law Judge Orders a suspension of seven (7) continuous days from the date of the December 23, 2020 scheduled hearing, to 7:00 a.m. on December 30, 2020, with this suspension to run consecutively and not concurrently with any other suspension Ordered by the Commission. Further, the Administrative Law Judge Orders that a suspension of sixty (60) continuous days with this suspension to run consecutively and not concurrently with any other suspension Ordered by the Commission, if the Licensee is found responsible for any further violations involving COVID-19 related orders from the State of Michigan. Further, the Administrative Law Judge

Orders that a suspension of thirty (30) continuous days, with this suspension to run consecutively and not concurrently with any other suspension Ordered by the Commission, if the fine is not paid within forty-five (45) days from the mailing date of this Order.

Further, the Administrative Law Judge Orders that this Negotiated Settlement is a full and final disposition of this matter before the Commission, that there is no further right of Administrative or Judicial Appeal, either to the Commission or any court of law, that the plea in this complaint has been entered voluntarily and with the full understanding of all consequences, that there are no promises, stipulations, understandings or agreements other than those stated as part of the official record herein, and that this Negotiated Settlement represents the final agreed settlement.
