

2 THE RESCUE

LIFE SAVING TRAINING

“Outstanding and recommended for all emergency responders and city managers.”
City Council Member Tony Seyferth

“Mandatory for all departments.”
Fire Chief Bennett's Wife, Caledonia Fire Department

“...this was amazing...I really needed this...it was so the best thing I have ever been to...”
Firefighter Daughter, Sister and Girlfriend Winnie,
Fennville Area Fire Department

\$350.00 per seminar (not per person)

3 hours

Michigan EMS Continuing Education Approved

This seminar is unique in that it is designed for your family, friends and loved ones to attend right alongside you! We will use years of front line personal experiences with line of duty deaths, tragedies, losses and self destructive behavior to clearly identify the pitfalls and challenges that the exposure to trauma, stress and grief presents. You will learn realistic ways to manage this emotionally demanding profession.

This training is in a seminar format and not a counseling session. This pre-incident education is recommended for emergency responders and their:

- Spouses
- Fiances, boyfriends and girlfriends
- Parents
- Adult children and siblings
- Friends
