### CERTIFICATION AND SIGNATURE

I certify the applicant named above has been appointed to a position in the clinical area of speech-language pathology beginning on \_\_\_\_\_ and ending on \_\_\_\_\_.  
(Month/Day/Year) (Month/Day/Year)

The supervised clinical experience will consist of at least 1,260 hours and include the following:

- The development of agreed upon outcomes and performance levels for the supervisee and maintaining documentation indicating whether these outcomes and performance levels were met.
- A sufficient number of supervisory activities to prepare the supervisee to begin independent practice as a speech-language pathologist.

Supervisory activities shall include the following:

- Onsite observations of the supervisee engaged in screening, evaluation, assessment, and habilitation or rehabilitation activities.
  - Real time, interactive video and audio conferencing technology may be used to perform onsite observations.
- Evaluation of reports written by the supervisee, conferences between the supervisor and supervisee and discussions with the supervisee's professional colleagues.
  - Correspondence, telephone calls or reviewing audio or videotapes may be used to perform this type of supervisory activity.
- At least 1,008 of the supervised hours consist of clinical contact with person or population served, including, but not limited to direct client or patient contact, consultations, record keeping, and administrative duties.

I will be available on a regularly scheduled basis to review the practice of the applicant, provide consultation, review records, and further educate the applicant. I will be continuously available for direct communication in person or by radio, telephone, or telecommunication.
