

CLARE COUNTY FIRE FIGHTER TRAINING COUNCIL and
START RESCUE PRESENT CONFINED SPACE
AWARENESS/NON ENTRY RESCUES TRAINING 2020

This nine-hour course is designed to provide training to assist fire departments in complying with OSHA "Part 90 Confined Space Entry", Department of Labor "Part 74 Fire Fighting," Department of Labor "Part 33 Personal Protective Equipment," NFPA 1670 "Technical Rescue Incidents Chapter 7 Confined Space Rescue," and NFPA 1006 "Standard for Technical Rescue Personnel, Chapter 7 Confined Space."

The program stresses rescuer safety, hazard control, rigging techniques, and patient removal without making entry into the space. The participants should have Fire Fighter II training, basic first aid, and basic rope/knot skills. The course will incorporate equipment typically carried by a fire department and familiarization with additional equipment provided by START.

When: September 13th 2020 8:30 AM

Where: Clare Fire Dept. 207 W. Fifth St. Clare MI 48617

Who: All members of NFIRS compliant fire departments. Full details and registration are available on SMOKE

**Course Manager: Sam Eberhart
CCFFTC-CTC. 989-429-3801 or
seberhart@cityofclare.org**
