RE: In the Matter of Cadillac Insurance Company, In Liquidation  
Commissioner of Insurance vs. Cadillac Insurance Company  
Case No. 89-64126-CR  
Our File No. 108-L

Dear Clerk:

Enclosed for consideration by the Court please find an original and a Judge's copy of the Receiver's Petition to Establish or Amend Guidelines for Service and Notice of Petitions Related to Wind-up of the Cadillac Estate and Proof of Service of same. Also enclosed are a Motion fee of \$20 and an original and two copies of a proposed Order Approving said Petition.

The Receiver has not enclosed a Notice of Hearing at this time. The Receiver asks that, if no objections to the Petition are filed with the Court and served on the Receiver's counsel on or before **Monday, February 25, 2013**, the Court consider entering the proposed Order without a hearing. If any such objections are received or if Judge Collette wishes to hear argument on this matter, I will schedule a date for hearing. Otherwise, I have enclosed a self-addressed, stamped envelope for return of two true copies of the Order to my attention.
