RE: License #: DG380317506

Dear Ms. Davis:

On July 21, 2015, the Bureau of Community and Health Systems (BCHS) issued *Special Investigation Report #2015D0197016* recommending revocation of your child care group home license due to several rule violations.

It has come to my attention that your child care license expired on August 26, 2015, and you did not submit a renewal application. Therefore, BCHS is administratively closing your license effective with the date of this letter. Please note that it is unlawful to provide child care for unrelated children in your home without a license, and you must cease providing care for children. Should you reapply for child care license or certificate of registration in the future, the violations cited in the recent investigation will be a consideration in licensure.

If you have any questions regarding this letter, please feel free to contact me.

Sincerely,

A handwritten signature in black ink that reads "Jennifer Kerr".
