

2 THE RESCUE

LIFE SAVING TRAINING

“The best coverage of this subject
in 28 years in the fire service.”

Chaplain Roersma

“The class surpassed my
expectations...everyone can relate to and
interact...and your driving habits will
change!”

Fire Chief Winnie

“This training is the best I
have gone to in 20 years of
fire fighting, it opens the eyes
and minds of the old timer’s
as well as the rookies.”

Fire Chief David Middleton

\$350.00 per seminar (not per person)

3 hours

Michigan EMS Continuing Education Approved

This seminar goes above and beyond any mandated driver’s training and will modify your driving behavior. We will examine your organizations guidelines and cover all those areas that are critical for safe, legal and efficient response.

- Organizational and personal liability
- Legal privileges and exemptions
- “Reckless disregard” and “due regard”
- Intersection clearing strategies
- POV’s, tankers and seat belts
- Braking capabilities and limitations
- Emergency equipment limitations
- Vehicle inspections and maintenance
