Ms. Paceagiu presented licensee requests for special price reductions on spirit products in accordance with the provisions of the Commission's Order of September 11, 2012 regarding special price reductions on spirit products, which was effective on January 1, 2013. She advised there were twenty nine (29) different licensees requesting price reductions; that 648 product price reductions could be approved; and that were zero product price reductions to be denied.

Moved by Commissioner Olshove, supported by Commissioner Quimby that the 648 special price reductions be approved as indicated on the attached Approval for Price Reduction on Liquor reports, motion carried by unanimous vote.

- III. Chairman Deloney advised we have received a request for a declaratory ruling from New Holland Brewing Company regarding MCL 436.1534, in part, on May 30, 2018. He stated the Commission, under administrative rule R 436.1973(1) has 30 days to notify the petitioner whether a declaratory ruling will be accepted. If accepted, the Commission then has 90 days to issue the declaratory ruling. Any written comments on the request must be received before June 30, 2018, and a copy of the request is on the Commission's website.

Attorney Michael Brown echoed the Chairman's comments and stated he had worked with Mr. Lee for a lot of years and he would be sorely missed, great person to work with.

Mr. Brown asked the Commission to look at a request to transfer ownership of a license for one of his clients, Fiesta Charra DeWitt 1 Corp, Request ID# 904744.
