Kalkaska Township Fire Department, Station 7  
209 Laurel St., Kalkaska, MI. 49676  
Saturday August 29<sup>th</sup> - Sunday August 30<sup>th</sup>  
8:00am to 5:00pm

The "Fire Chief 101" program is designed to assist current or potential Fire Chiefs in managing today's modern fire service and is endorsed by the Michigan Fire Chiefs Association. The course is for new chiefs, progressive chiefs, staff officers, "fast track" firefighters, elected officials and Fire Board members. The course was developed by Fire Chiefs, for current and prospective Fire Chiefs. Participants are provided secure access to a web based information sharing platform, TexCom, where over 1,500 fire service related files provide member with examples of information discussed.

Through interactive modules attendees will learn from, and share in the experiences of, many fire chiefs who have contributed materials to this program. Some of the topics covered in this lecture/discussion format include: purchasing, budgeting, planning, SOPs, fire organizations, insurance/ISO, laws/liability, leadership, ethics, media, MIOSHA, mutual aid, personnel, reporting, and training.

*This class did not focus on fire ground tactics, but on issues that have not been taught in the classroom, this class dealt with the Strategy and Tactics of Administration in the Fire Service." ... "The quality of instruction and materials received was well worth the time and effort in attending this class. I would strongly recommend this class to anyone who is in the Chiefs rank" Chief Mike Cousins, Michigan Fire Service News*

**The course is being offered free of charge and is funded with FFTC fireworks funds.**
