| LONG-TERM CARE FACILITIES.....              | 288 - 299 |

**REPORT AUTHORITY: PUBLIC ACT 59 of 2013**

Sec. 731 (1) The bureau of health care services shall prepare a report detailing the number of facilities, locations, and beds for each type of health facility licensed, certified, inspected, or otherwise regulated by the bureau. The report shall also include the bureau's cost to license, certify, inspect, or otherwise regulate each type of facility. The data required by this subsection shall be collected and reported on acute care hospitals, home health agencies, hospices, hospice residences, psychiatric units in general hospitals, psychiatric hospitals, partial hospitalization psychiatric programs, outpatient surgical facilities, freestanding surgical outpatient facilities, laboratories, end stage renal disease facilities, rural health clinics, substance abuse programs, long-term care facilities including nursing homes, hospital long-term care units, county medical care facilities, and radiation machines.

(2) By February 1, the bureau of health care services shall provide the governor and the legislature an updated schedule of fees to be charged by the bureau for regulating health facilities. The updated fee schedule proposed by the bureau shall be based on the schedule submitted previously, but include updated figures from the prior fiscal year. It shall also bear a direct relationship to the cost of the service or act, including overhead expenses. The report shall also recommend the necessary statutory and administrative rule changes necessary to implement the recommended fee schedule.

**REPORT SUMMARY:**

This Healthcare Provider Directory is issued by the Bureau of Health Care Services, within the Michigan Department of Licensing and Regulatory Affairs (LARA), to fulfill part of its obligation under Section 731 (1) of Public Act 59 of 2013. This report lists all State licensed and federally certified health facilities and providers in Michigan as of December 2013. This report provides the facility/provider names, addresses, and licensed bed counts where applicable. The provider counts listed in this Directory may vary slightly from the counts listed in the 2014 LARA-BHCS Licensing Fee Structure Report for Health Facilities and Agencies.

| Health Facility/Provider Type               | Total Providers | State License Required | Federal Certification Option |
|---|-----------------|------------------------|------------------------------|
| Acute Care Hospitals                        | 168             | X                      | X                            |
| Home Health Agencies                        | 694             | N/A                    | X                            |
| Hospices                                    | 141             | X                      | X                            |
| Psychiatric Hospitals, Units, Programs      | 87              | X                      | X                            |
| Freestanding Surgical Outpatient Facilities | 124             | X                      | X                            |
| Clinical Laboratories                       | 7,999           | X                      | X                            |
| ESRD Facilities                             | 186             | N/A                    | X                            |
| Rural Health Clinics                        | 160             | N/A                    | X                            |
| Substance Use Disorder Programs             | 1,290           | X                      | N/A                          |
| Long-term Care Facilities                   | 447             | X                      | X                            |
| Radiation Machines*                         | 9,749           | X                      | X                            |

*Note (Provider Counts):* The Bureau also have oversight of the other following provider types not listed in Section 731(1) including Comprehensive Outpatient Rehab Facilities (12), Portable X-Ray Providers (9), and Outpatient Physical Therapy Providers (193).

\* Registration of X-ray machines transferred to MIOSHA October 2013.
