### **Additional Cart Information**

The cart sorts all products within orders by ADA.

If an Item is out of stock, it will be moved to the *Out of stock items* section.

Any cart errors will be displayed and must be corrected before checking out (9-liter minimum, invalid quantities, etc).

Quantities of items in the cart can be adjusted within the cart manually or using the up/down arrows. If a quantity is adjusted after validating the cart, user will be required to validate the cart again before checking out.

When ready to complete the order, select the *Validate* button. At this point, the system accesses the ADA inventory in real time and returns out of stock inventory notices. If an out of stock notice reduces an order to less than the 9-liter minimum, messages display, and the User can edit the cart to correct the issue. All Errors must be corrected in order to checkout and place the order.

Select the + *Email address* box to enter additional email addresses that need to receive the order confirmation email.

Select the *Checkout* button when ready to submit the order to the ADA(s). A confirmation email goes to the default email address, any additional emails entered, and to the MLCC.

<b>Bottle Size</b>	<b>Splits Allowed</b>

1.0 liter	1, 3, or 6

**FEDERAL TAXES**

The marked-up cost includes \$13.50 federal tax levied against each proof gallon.

**STATE TAXES**

Specific taxes on liquor are collected by the Commission at the time of sale to the retail licensee. All specific taxes are calculated on the marked-up cost. These taxes will be shown on the licensee's invoice. The specific taxes include:

4% - distributed to the School Aid Fund

4% - distributed to the General Fund

4% - distributed to the Convention Facility Development Fund

**PRICE CHANGES**

If the price of a product has changed, the new price will be charged to the licensee based on the date of delivery, not the date of order.

**ADA PRODUCT CHANGES**

Periodically, distribution rights for spirit brands change from one ADA to another due to contractual changes with the spirit suppliers. The Commission has established strict transition guidelines for ADAs to follow when product lines change so as to not interrupt the flow of spirit products. ADAs who no longer carry a particular spirit brand are required to advise retailers attempting to place an order with them that the brand is available through another ADA. Please notify the Michigan Liquor Control Commission if the ADAs are not notifying you that the brand is available from another ADA.
