CONSENT ORDER

Formal Complaints (numbers 21-17-332138 and 21-17-332139) were filed on October 5, 2017 charging CCLA Building & Development, LLC and Matthew Michael Figurski (Respondents) with having violated sections 604(c), (e), (g), (h) and 2409 of the Occupational Code, as amended, MCL 339.101 *et seq.*; Mich Admin Code, R 338.1551(4) and (5).

The parties have stipulated that the Board may enter this consent order and that the facts alleged in paragraphs 12, 13 (except there are only 40 condominium units), 14, 19-21 of the Formal Complaints are true and constitute a violation of section 604(h) and 2409 of the Occupational Code. The Board has reviewed the stipulation contained in this document and agrees that the public interest is best served by resolution of the outstanding complaints.

Accordingly, for these violations, IT IS ORDERED:

Respondents are FINED FIVE HUNDRED AND 00/100 DOLLARS (\$500.00) to be paid by check, money order or cashier's check made payable to the State of Michigan (with complaint numbers 21-17-332138 and 21-17-332139 clearly indicated on the check or money order), and shall be payable within sixty (60) days of the effective date of this order. Respondents are jointly and severally liable for paying the fine. The total fine owed on complaint numbers 21-17-332138 and 21-17-332139 is \$500.00. The timely payment of the fine shall be Respondents' responsibility. If Respondents fail to timely pay fine, their licenses shall be suspended. Respondents shall mail the fine to: Sanction Monitoring, Bureau of Professional Licensing, Legal Affairs Division – Compliance Section, Department of Licensing and Regulatory Affairs, P.O. Box 30189, Lansing, Michigan 48909.

If Respondents petition for reinstatement of their licenses as a result of their failure to timely pay the above fine, the petition shall be in accordance with section 411(5) of the Occupational Code. Under this provision, Respondents shall file an application on a form provided by the department, pay the application processing fee, and file a petition to the department and the appropriate board stating reasons for reinstatement and including evidence that the person can and is likely to serve the public in the regulated activity with competence and in conformance with all other requirements prescribed by law, rule, or an order of the department or board.

Counts I-IV of each complaint (complaint numbers 21-17-332138 and 21-17-332139), alleging violations of sections 604(c), (e) and (g) of the Occupational Code, and Mich Admin Code, R 338.1551(4) and (5), are DISMISSED.

Respondents shall be responsible for the timely compliance with the terms of this consent order, including the timely filing of any documentation. Failure to comply within the time limitations provided will constitute a violation of this order.

If Respondents violate any term or condition set forth in this order, Respondents will be in violation of section 604(k) of the Occupational Code.

This order shall be effective thirty (30) days from the date signed by the Chairperson or the Chairperson's designee, as set forth below.

STIPULATION

The parties stipulate as follows:

1. The facts alleged in paragraphs 12, 13 (except there are only 40 condominium units), 14, 19-21 of the complaints (numbers 21-17-332138 and 21-17-332139) are true and constitute a violation of section 604(h) and 2409 of the Occupational Code.
2. The Director of the Bureau of Professional Licensing, or her designee, must approve this consent order and stipulation before it is submitted to the Board for final approval.

3. Respondents understand and intend that, by signing this stipulation, they are waiving the right under the Occupational Code, rules promulgated under the Occupational Code, and the Administrative Procedures Act of 1969, as amended, MCL 24.201 *et seq.*, to require the Department to prove the charges set forth in the complaints by presentation of evidence and legal authority, and to present a defense to the charges. Should the Board reject the proposed consent order, the parties reserve the right to proceed to hearing.

4. This matter is a public record required to be published and made available to the public pursuant to section 11(1)(a) of the Michigan Freedom of Information Act, 1976 PA 442, as amended.

5. The parties considered the following factors in reaching this agreement:

A. Each condominium unit in the development was initially issued a temporary certificate of occupancy.

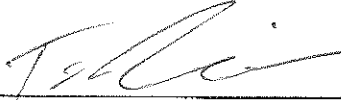

B. The building inspector noted that the steps on the condominium units conformed to the stair-rise requirements of the Residential Code at issuance of those temporary certificates of occupancy.

C. Respondent acknowledged that the building inspector took stair-rise measurements in February and March of 2017, showing that on those dates some steps were out of compliance with the Residential Code.

D. The steps at issue were placed on top of poured concrete sidewalks, which are subjected to heaving with the weather conditions in Michigan. The weather conditions likely caused the changes in stair-rise measurements.

By signing this stipulation, the parties confirm that they have read, understand and agree with the terms of the consent order.
