Re: Request for Declaratory Judgement

MLCC,

Short's Brewing Company has become aware that a retail on premise account would like to utilize Short's branded shirts and have their establishment's logo embroidered onto the shirt. Employees of the establishment would then wear these shirts as a part of their uniform. The retail on premise establishment would purchase the Short's shirts directly from Underground Printing which Short's has no affiliation or any shared interest what so ever. Short's Brewing would not be compensated or involved in any way other than to allow Underground the license to print them.

We believe this is allowable as barware under section 436-1609 section 11 of the Michigan Liquor Control code, please advise.

Sincerely,

Scott Newman-Bale
