

Course Description: Detection of Arson and Suspicious Fires (C04A)

This 12-hour course is designed to introduce the fire fighter to initial fire cause and origin determination procedures and to recognize and preserve evidence of arson. The Course will be taught by Ron Taylor, a Professional Fire Scene Investigator. As such, Ron has his own unique addition of course material and slides from past investigations.

Course Dates and Times: February 16 & 17, 2019. Start Time is 8:00 AM

Location: Ludington Fire Department (Note: May be held at new station on Tinkham if finished).

Cost: No Charge - This is a State funded course and requires a minimum of 15 students.

Instructor: Bruce Pelletier and Ron Taylor - Professional Fire Investigator

Student Prerequisites:

- Eighteen years of age or older and a member of an organized Michigan Fire Department.

Registration: SMOKE Login at: <https://w2.lara.state.mi.us/Smoke/Account/Login>
Please register by Friday February 1, 2019. If you need help registering for the course, please contact Bruce Pelletier at the email address below:
