1. **How long are the Massage Therapy licenses issued for? Can I renew my license early? How will I know when I need to renew?**

Your initial Massage Therapy registration is only good until the next expiration date of your profession (anywhere from 4 months to 1 year). After your first renewal, your registration will be valid for 3 years. You will receive renewal information 45-60 days prior to the expiration date of your registration.

You cannot renew your registration early. Our system is not set up to receive renewal information until the renewal time for your profession. We will mail you a renewal postcard approximately 45-60 days before the expiration date of your current registration. Remember to notify the Department in writing of any address changes you have. It is your responsibility to renew your registration on time. Failure to notify us of an address change does not exempt you from renewing your registration on time. You can renew online at [www.michigan.gov/elicense](http://www.michigan.gov/elicense).

2. **Can I receive a Massage Therapy license by application (grandfathering)?**

The Massage Therapy license by application (grandfathering) was only available for those who were licensed prior to November 29, 2014. For those who would like to be licensed after November 29, 2014, visit the Massage Therapy License Information section on our website for information on licensing options.

3. **How do I become eligible for the Massage Therapy exams?**

Once you have successfully registered with the Federation of State Massage Therapy Board's (FSMTB), Massage and Bodywork Licensing Examination (MBLEX), you will be able to take the exam. Our office does not need to make you eligible for the exam.

4. **There have been changes to the Public Health Code and Administrative Rules that require licensees and individuals seeking licensure to complete training for identifying victims of human trafficking. When does this take effect?**

Administrative Rule R 338.732 requires an individual licensed or seeking licensure to complete training to identify victims of human trafficking. This is a one-time training that is separate from continuing education (CE). Licensees who renewed in 2017 must complete training by renewal in 2020; renewals completed in 2018 must complete training by renewal in 2021; and renewals for 2019 by 2022. Beginning March 14, 2022, completion of training is a requirement for initial license issuance.

The department may select and audit a sample of individuals and request documentation of proof of completion of training.
5. How can I meet the requirements for the completion of training in identifying victims of human trafficking?

The one-time human trafficking training may be done through: a teleconference or a webinar, online presentation, live presentation, or printed or electronic media. Refer to rule 338.732 of the Administrative Rules for Massage Therapy for more information. The Administrative rules can be accessed on our website at www.michigan.gov/bpl

At least 1 hour of CE shall be earned in the area of pain and symptom management and at least 2 hours of CE shall be earned in the area of professional ethics and boundaries. 7. Do I need to send in proof of completing the continuing education (CE) requirement with my renewal application?
