

NFA Course

F0349 – Fire Service Safety Culture: Who Protects the Firefighters From Firefighters?

Presented by: Glenn Davis, NFA Instructor

This two-day course is designed to assist emergency services personnel in defining and advocating organizational change within the fire service relating to safety.

Topics include:

- Safety and risk cultures within organizations.
- Influences on safety culture and risk categories.
- Concepts, goals, and processes of risk management.

The course incorporates facilitated student-centered methodologies including lecture, small and large group activities, and individual assessments.

Student pre-course materials and course syllabus:
