

## MICHIGAN FIRE INSPECTORS SOCIETY

*Exchange, Encourage, and Educate in the Interest of Fire Protection*

The Michigan Fire Inspectors Society is sponsoring and Egelston Township Fire is hosting the NFA Building Organizational Support for Community Risk Reduction (FO636).

This two-day course is designed to help fire and emergency services learn what community risk reduction is and how to build organizational support for it. This course will address the challenges that fire departments face in shifting their priorities from response to prevention. In many departments, community risk reduction is still considered a low priority. This course will show you how community risk reduction can help you and your department become more of a community player in times of decreased budgets.

At the end of the course, students will be evaluated through a 25-question multiple-choice examination. A final grade will be provided to each student. The minimum score needed to pass is 70.

There is a pre-course assignment that should take about one hour to complete

**Dates:** January 11 & 12, 2018

**Times:** 8AM-5PM

**Location:** Egelston Township Fire Department 5380 E. Apple Ave. Muskegon, MI 49442.
