NLS Edition

This bibliography provides a list of books from the 2015 CSLP Early Literacy Manual Bibliography that are available through the National Library Services for the Blind and Physically Handicapped (NLS). NLS provides these books through regional libraries known as Libraries for the Blind and Physically Handicapped (LBPHs). To find your local LBPH, go to <http://www.loc.gov/nls/find.html>. Books with the prefix “RC” (audio cassette books) have been sent to NLS for a request to convert to “DB.” Books with the prefix “S**” are audio books created by regional LBPHs and are a part of the SHELF program. SHELF program books are only available from LBPHs who are a part of the SHELF program. All books with the prefix “DB” (digital audio books) and some with the prefix “BR” (braille books) are available for LBPH patrons to download through [BARD](#).

Note: Some books on the CSLP Early Literacy Manual Bibliography may become available through NLS later in the year. There may also be other formats of books on the original bibliography, such as braille and large print, available through other vendors.

This bibliography was created in collaboration with CSLP and Wolfner Talking Book and Braille staff.
