The Department of Licensing and Regulatory Affairs will hold a public hearing to receive public comments on proposed changes to the Fire Fighters Training Council rule set.

The public hearing is being held to receive comments on proposed rules amendments to the Fire

Fighters Training Council Rules. These rules are required under the Fire Fighters Training Council Act of 1966 (Public Act (PA) 291 of 1966). Section 9 of the Act (MCL 29.369) requires the Council to prepare and publish advisory standards of physical, education, mental and moral fitness to govern the recruitment, selections and appointment of fire fighters, and for the approval of fire fighter training schools. Section 16 of the Act (MCL 29.376) requires the Council to adopt rules. The Fire Fighters Training Council rules have not been updated since 2016. PA 291 of 1966 has been amended several times since these rules were first promulgated and the current rule set does not reflect the requirements in the current statute as amended. The proposed rule set will bring the rule set up to date with current law.

These rules are being promulgated by authority conferred on the Fire Fighters Training Council by Section 16 of PA 291 of 1966, MCL 29.376 and Executive Order Reorganization No. 2003-1, MCL 445.2011. The rules will take effect immediately upon filing with the Secretary of State. These rules will take effect immediately after filing with the Secretary of State. The rules are published on the Michigan Government web site at <http://www.michigan.gov/moahr> and in the Michigan Register in the 3/1/2021 issue. Copies of the draft rules may also be obtained by mail or electronic transmission at the following address:
