- Pharmacy License – \$162.10
- Controlled Substance License – \$173.00
- Pharmacy Relicensure – \$182.10

THE FOLLOWING REQUIREMENTS APPLY TO ALL APPLICANTS

Criminal Background Check – Once the online application is completed and submitted you will be emailed an Application Confirmation letter containing instructions to complete the Criminal Background Check.

The individuals listed below for a pharmacy license are required to undergo a Criminal Background Check (CBC):

- An individual, if the person applying is an individual.
- All partners and any individual who will manage the day-to-day operations, if the person applying is a partnership.
- An individual who will manage the day-to-day operations, if the person applying is a privately held corporation. This subdivision only applies to a privately held corporation that in the aggregate owns fewer than 75 pharmacies, manufacturers, or wholesale distributors on the date the corporation submits its license application.

An individual is not required to obtain a CBC if one has been obtained for the individual(s) within the 2 years preceding the date of application for a new pharmacy, manufacturer, or wholesale distributor license. If fingerprints have been obtained within the two years preceding the date of the application, the individual(s) must submit proof of the previous criminal history check with the application for a pharmacy license. Relicensure applications lapsed less than 3 years are also not required to obtain a CBC.

Criminal/Disciplinary History Questions – Criminal conviction and/or disciplinary documentation will be required if you answer “yes” to either question.

MICHIGAN PHARMACY LICENSING GUIDE

- Verification of Licensure – If your pharmacy holds a current pharmacy license or ever held a pharmacy profession license, verification of licensure will be required to be submitted directly to this office by the licensing agency of any state of the United States in which you hold or ever held a license. Verification can be emailed to bpldata@michigan.gov or mailed to the Bureau of Professional Licensing, PO Box 30670, Lansing, MI 48909. In addition, you may upload online license verifications if those verifications show your pharmacy license is in good standing and provides disciplinary history information, including disciplinary documentation.
- If your pharmacy is a partnership, corporation, or is operating under an assumed name, you must submit business documentation showing the business ownership structure, including partnership certificates, corporate articles, assumed name certificate, list of partners, stockholders, officers, and members of the board of directors.
- A licensed pharmacy must have a pharmacist in charge (PIC) licensed in Michigan. You must provide the license number of the PIC or the pharmacist application number of the PIC if the PIC has not yet obtained Michigan licensure. If your pharmacy will be distributing or dispensing controlled substances in Michigan, the PIC and the pharmacy must have a controlled substance license.
- If your pharmacy has an NABP E-Profile Identification Number, you may enter it on the application.
- If your pharmacy is not located in Michigan and you will not be shipping sterile compounded products into Michigan, you must submit an inspection report from your resident state board of pharmacy or from the National Association of Boards of Pharmacy Verified Pharmacy Program (VPP).
- You may apply for a controlled substance license by completing the controlled substance license fields on the application. Be sure that the controlled substance license address matches the pharmacy address. If you do not apply for a controlled substance license on your initial application, you must wait for the pharmacy license to be issued before applying for a controlled substance license.

ADDITIONAL REQUIREMENTS FOR STERILE COMPOUNDING PHARMACIES

- If the application is for a resident sterile compounding pharmacy, you must upload a copy of a current accreditation certificate or an inspection report completed within the last 2 years showing compliance with USP standards in a manner approved by the Michigan Board of Pharmacy.
