

Pharmacy Technician Training Programs and Examinations
Approved by the Board of Pharmacy

Pursuant to R 338.3655, the following are approved training programs:

- (a) A pharmacy technician program that is accredited by the accreditation council for pharmacy education (ACPE).
- (b) A pharmacy technician program that is offered by a pharmacist education program that is accredited by the ACPE.
- (c) A comprehensive curriculum-based pharmacy technician education and training program, approved by the Michigan Board of Pharmacy, conducted by a school that is licensed pursuant to the Proprietary Schools Act, 1943 PA 148, MCL 395.101 to 395.103.
- (d) A pharmacy technician training program, approved by the Board of Pharmacy, utilized by a pharmacy or employer that includes specific training in the functions, specified in MCL 333.17739(1), required to assist the pharmacist in the technical functions associated with the practice of pharmacy.

The following entities have been approved by the Board under R 338.3655(c) and (d) to offer a pharmacy technician training program and/or an examination at one or more locations. An applicant should contact the entity listed below to confirm the specific locations of training programs and/or examinations.
