

**Pharmacy Technician Training Programs and Examinations**  
**Approved by the Board of Pharmacy**

**Pursuant to R 338.3655, the following are approved training programs:**

- (a) A pharmacy technician program that is accredited by the accreditation council for pharmacy education (ACPE).
- (b) A pharmacy technician program that is offered by a pharmacist education program that is accredited by the ACPE.
- (c) A comprehensive curriculum-based pharmacy technician education and training program, approved by the Michigan Board of Pharmacy, conducted by a school that is licensed pursuant to the Proprietary Schools Act, 1943 PA 148, MCL 395.101 to 395.103.
- (d) A pharmacy technician training program, approved by the Board of Pharmacy, utilized by a pharmacy or employer that includes specific training in the functions, specified in MCL 333.17739(1), required to assist the pharmacist in the technical functions associated with the practice of pharmacy.

**The following entities have been approved by the Board under R 338.3655(c) and (d) to offer a pharmacy technician training program and/or an examination at one or more locations. An applicant should contact the entity listed below to confirm the specific locations of training programs and/or examinations.**
