

Michigan Department of Licensing and Regulatory Affairs Pain and Symptom Management Speakers Bureau

Are you looking for a speaker to present at your conference, ground rounds, or brown bag lunch? If you are in need of a pain expert to speak to your group or organization, or if you are writing an article and would like to interview a pain expert, please contact any of the following experts listed below.

Pain Topics (alphabetical order)

Pain topics (alphabetical order)	Speaker
Addiction – various topics - definition of addiction; difference between addiction, pseudoaddiction, tolerance, dependence; treating the pain of someone with the disease of addiction	Ron Bradley, DO, PhD Carl Christensen, MD Todd Lininger, MD, ABA William Morrone, DO, MS, ACOFP, DAAPM, DABAM Linda Vanni, RN, MSN, ACNS-BC, NP
Assessing pain – methods for assessing pain.	Ron Bradley, DO, PhD Carl Christensen, MD Jeanne Lewandowski, MD Todd Lininger, MD, ABA William Morrone, DO, MS, ACOFP, DAAPM, DABAM Steven Roskos, MD April Vallerand, PhD, RN, FAAN Hazard Linda Vanni, RN, MSN, ACNS-BC, NP
Assessing pain at follow up visits – level of pain and function, quality of life, mental status, adherence to care plan, medication adverse effects, test results, changes to care plan	Ron Bradley, DO, PhD Carl Christensen, MD Jeanne Lewandowski, MD Todd Lininger, MD, ABA William Morrone, DO, MS, ACOFP, DAAPM, DABAM Steven Roskos, MD Linda Vanni, RN, MSN, ACNS-BC, NP
Communicating with patients who have pain – motivational interviewing, listening skills, health literacy, non-English speakers	Dan Berland, MD, FACP, ABAM Ron Bradley, DO, PhD Jeanne Lewandowski, MD William Morrone, DO, MS, ACOFP, DAAPM, DABAM
Curriculum on pain – development, integration, implementation, evaluation of	Ron Bradley, DO, PhD Jeanne Lewandowski, MD Steven Roskos, MD

Pain topics (alphabetical order)	Speaker
curriculum	April Vallerand, PhD, RN, FAAN Hazard Linda Vanni, RN, MSN, ACNS-BC, NP
Data on pain - survey, research, epidemiological data	Ron Bradley, DO, PhD Jeanne Lewandowski, MD William Morrone, DO, MS, ACOFP, DAAPM, DABAM April Vallerand, PhD, RN, FAAN Hazard
Ethics – explain why undertreated and untreated pain is an ethical health issue; laws that advocate for patient rights; access issues; disparities; vulnerable populations	Ron Bradley, DO, PhD Jeanne Lewandowski, MD William Morrone, DO, MS, ACOFP, DAAPM, DABAM April Vallerand, PhD, RN, FAAN Hazard Linda Vanni, RN, MSN, ACNS-BC, NP
Evaluation/documentation – taking a history, assessing for history of substance abuse, seeking to understand patient’s experience of pain, functionality assessments, diagnostic testing, documenting to explain rationale for medical decisions	Dan Berland, MD, FACP, ABAM Ron Bradley, DO, PhD Carl Christensen, MD Jeanne Lewandowski, MD Todd Lininger, MD, ABA William Morrone, DO, MS, ACOFP, DAAPM, DABAM Steven Roskos, MD Linda Vanni, RN, MSN, ACNS-BC, NP
Hospice care	Jeanne Lewandowski, MD William Morrone, DO, MS, ACOFP, DAAPM, DABAM Linda Vanni, RN, MSN, ACNS-BC, NP
Laws (Michigan) - policies	Ron Bradley, DO, PhD Jeanne Lewandowski, MD William Morrone, DO, MS, ACOFP, DAAPM, DABAM Linda Vanni, RN, MSN, ACNS-BC, NP
State of Michigan resources - Advisory Committee on Pain and Symptom Management (ACPSM), Michigan Automated Prescription System (MAPS), Health Professional Recovery Program (HPRP), Controlled Substances Advisory Commission (CSAC), State pain and palliative care activities and resources	Ron Bradley, DO, PhD (ACPSM) Jeanne Lewandowski, MD (ACPSM) William Morrone, DO, MS, ACOFP, DAAPM, DABAM (ACPSM, HPRP) Linda Vanni, RN, MSN, ACNS-BC, NP
Pain – location of care,	Dan Berland, MD, FACP, ABAM (not LTC)

Pain topics (alphabetical order)	Speaker
outpatient, ED, hospital, long term care	Ron Bradley, DO, PhD Jeanne Lewandowski, MD Linda Vanni, RN, MSN, ACNS-BC, NP
Pain conditions – central pain syndrome, cancer, fibromyalgia, CRPS/RSD, sickle cell, intraoral pain, low back, pain related to pregnancy, headaches, HIV/AIDS	Dan Berland, MD, FACP, ABAM Ron Bradley, DO, PhD Carl Christensen, MD William Morrone, DO, MS, ACOFP, DAAPM, DABAM Linda Vanni, RN, MSN, ACNS-BC, NP
Pain in special contexts – infant, child, adolescent, elderly, end-of-life, obesity, cognitive impairment, trauma survivors, mental illness	Jeanne Lewandowski, MD (pediatric, EOL) William Morrone, DO, MS, ACOFP, DAAPM, DABAM
Palliative care	Jeanne Lewandowski, MD William Morrone, DO, MS, ACOFP, DAAPM, DABAM Claire Saadeh, PharmD, BCOP April Vallerand, PhD, RN, FAAN Hazard
Quality pain care – using evidence and consensus based guidelines, using standards and measures, seeking accreditation in pain, conducting continuous quality improvement initiatives	Dan Berland, MD, FACP, ABAM Ron Bradley, DO, PhD Jeanne Lewandowski, MD William Morrone, DO, MS, ACOFP, DAAPM, DABAM April Vallerand, PhD, RN, FAAN Hazard Linda Vanni, RN, MSN, ACNS-BC, NP
Science – <u>basic science</u> as related to pain (including pharmacology)	Ron Bradley, DO, PhD Carl Christensen, MD Todd Lininger, MD, ABA
Science - <u>basic social</u> sciences as related to pain (including anthropology, psychology, sociology)	Ron Bradley, DO, PhD William Morrone, DO, MS, ACOFP, DAAPM, DABAM Linda Vanni, RN, MSN, ACNS-BC, NP
Science – <u>clinical</u> sciences as related to pain	Dan Berland, MD, FACP, ABAM Ron Bradley, DO, PhD Jeanne Lewandowski, MD William Morrone, DO, MS, ACOFP, DAAPM, DABAM April Vallerand, PhD, RN, FAAN Hazard Linda Vanni, RN, MSN, ACNS-BC, NP
Suffering as related to pain	Ron Bradley, DO, PhD Jeanne Lewandowski, MD Todd Lininger, MD, ABA William Morrone, DO, MS, ACOFP, DAAPM, DABAM Linda Vanni, RN, MSN, ACNS-BC, NP

Pain topics (alphabetical order)	Speaker
Treatment involving patient self-management techniques – mindfulness meditation, exercise, proper nutrition, improving ability to sleep, taking medications properly, managing emotions	Ron Bradley, DO, PhD Carl Christensen, MD Lisa Gigliotti (from the patient's perspective) Jeanne Lewandowski, MD William Morrone, DO, MS, ACOFP, DAAPM, DABAM Steven Roskos, MD Linda Vanni, RN, MSN, ACNS-BC, NP
Treatment using complementary and alternative medicine (CAM), integrative medicine – acupuncture, diaphragmatic breathing, guided imagery, mindfulness meditation, herbal products, rolfing, yoga	Ron Bradley, DO, PhD Carl Christensen, MD Lisa Gigliotti (from the patient's perspective) William Morrone, DO, MS, ACOFP, DAAPM, DABAM Steven Roskos, MD Linda Vanni, RN, MSN, ACNS-BC, NP
Treatment using interventional approaches – neurostimulation, nerve blocks, surgical techniques	Todd Lininger, MD, ABA Steven Roskos, MD Linda Vanni, RN, MSN, ACNS-BC, NP
Treatment using pharmacological approaches – dosing strategies, instructing patients on how to take, secure and dispose of controlled substances, medication agreements, risk management approaches, MAPS, reporting diversion	Dan Berland, MD, FACP, ABAM Ron Bradley, DO, PhD Carl Christensen, MD Jeanne Lewandowski, MD Todd Lininger, MD, ABA William Morrone, DO, MS, ACOFP, DAAPM, DABAM Steven Roskos, MD Claire Saadeh, PharmD, BCOP April Vallerand, PhD, RN, FAAN Hazard Linda Vanni, RN, MSN, ACNS-BC, NP
Treatment using physical medicine – PT, massage, osteopathic manipulation	Ron Bradley, DO, PhD Jeanne Lewandowski, MD William Morrone, DO, MS, ACOFP, DAAPM, DABAM Steven Roskos, MD Linda Vanni, RN, MSN, ACNS-BC, NP
Treatment using psychotherapeutic and behavioral approaches – CBT, affirmations/reframing, relaxation, psychiatric treatment of mental illnesses	Dan Berland, MD, FACP, ABAM Ron Bradley, DO, PhD William Morrone, DO, MS, ACOFP, DAAPM, DABAM Steven Roskos, MD
Types of pain/definitions of pain - acute, chronic, recurring, persistent, central pain/central sensitization,	Carl Christensen, MD Jeanne Lewandowski, MD Todd Lininger, MD, ABA William Morrone, DO, MS, ACOFP, DAAPM, DABAM

Pain topics (alphabetical order)	Speaker
nociceptive, neuropathic, malignant	Steven Roskos, MD Linda Vanni, RN, MSN, ACNS-BC, NP
Other topic(s) – Medical marihuana (Linda Vanni, RN, MSN, ACNS-BC, NP) Opioid management in pregnancy (William Morrone, DO, MS, ACOFP, DAAPM, DABAM) Recognizing addiction in chronic pain (Carl Christensen, MD)	

Speakers (alphabetical order)

Speakers
<p>Dan Berland, MD, FACP, ABAM (American Board of Addiction Medicine) Clinical Assistant Professor Departments of Medicine and Anesthesiology University of Michigan</p> <p>Member, Michigan Advisory Committee on Pain and Symptom Management (MCL333.16204a)</p> <p>Contact information: danielbe@med.umich.edu</p> <p>SPECIALITIES AND SUBSPECIALITIES: Internal medicine, addiction medicine.</p> <p>INTERESTS:</p> <ul style="list-style-type: none"> • Topics in approach to pain assessment/management as a biopsychosocial disorder; • Proper and judicious use of medications; • Slowing the prescription drug epidemic (opioids, benzodiazepines, stimulants). <p>Presentation methods: I can deliver lectures, case management workshops, utilize audience response technology.</p>
<p>Ron Bradley, DO, PhD Chief of Psychiatry, Interim Medical Discipline Chair Of Medicine College of Medicine Central Michigan University</p> <p>Member, Michigan Advisory Committee on Pain and Symptom Management (MCL333.16204a)</p> <p>Contact information: Ron.Bradley@cmich.edu; cell: 517-281-3920</p>

Speakers

Carl Christensen, MD

Fellow ASAM, Past President MSAM
Medical Director, Health Professional Recovery Program

Former member, Health Professional Recovery Committee

Contact information: cell 734-218-5317

SPECIALTIES AND SUBSPECIALTIES: Ob/gyn, addiction, addiction and pregnancy, addiction and chronic pain.

Lisa Gigliotti

Member, Michigan Advisory Committee on Pain and Symptom Management
(MCL333.16204a)

Governor appointee representing those who have chronic pain

Contact information: lisa@WithCourageInCan.com

Website: www.WithCourageInCan.com

Jeanne Lewandowski, MD

MD
Director, Palliative Medicine
St. John Hospital and Medical Center

Medical Director, Pediatrics
Walk with ME...a pediatric palliative care program
Reverence Home Health and Hospice

Chief, Department of Pediatrics
Beaumont Hospital - Grosse Pointe
Pediatric Palliative Medicine
Beaumont Children's Hospital

Member, Michigan Advisory Committee on Pain and Symptom Management
(MCL333.16204a)

Contact information: Jeanne.lewandowski@st.john.org or
jeanne.lewandowski@beaumont.edu

Todd Lininger, MD, ABA

Clinical Assistant Professor, Wayne State University School of Medicine
Director, Anesthesiology Pain Medicine Fellowship Program

Member, Michigan Advisory Committee on Pain and Symptom Management
(MCL333.16204a)

Speakers

Contact information: telininger@gmail.com

SPECIALTIES AND SUBSPECIALTIES: Anesthesiology with advanced training in pain management and subspecialty certification in pain medicine (ABA), interventional pain management, minimally invasive pain treatment, clinical trials in pain, integrating alternative and complementary therapies into practice, and acupuncture.

OTHER: MS degree in theology.

William Morrone, DO, MS, ACOFP, DAAPM, DABAM

Medical Director, Recovery Pathways, LLC
Associate Professor of Family Medicine

Member, Michigan Advisory Committee on Pain and Symptom Management
(MCL333.16204a)

Contact information: william.morrone@sbcglobal.net

SPECIALTIES AND SUBSPECIALTIES: Family medicine, pain medicine, addiction medicine.

OTHER: MS degree is in pharmacy and toxicology. Can present on opioid management during pregnancy.

Steven Roskos, MD

Associate Professor
Lead Family Medicine Clerkship Director
Dept. of Family Medicine
B-104 Clinical Center
Michigan State University College of Human Medicine
East Lansing, MI

Member, Michigan Advisory Committee on Pain and Symptom Management
(MCL333.16204a)

Contact information: roskos@msu.edu; work: 517-884-0437

Claire Saadeh, PharmD, BCOP

Professor, Pharmacy Practice
Oncology, Pain Management, Palliative Care
Ferris State University College of Pharmacy
Sparrow Health System
Department of Pharmacy
Lansing, MI

Speakers

Member, Michigan Advisory Committee on Pain and Symptom Management (MCL333.16204a)

Contact information: clairesaadeh@ferris.edu; work: 517-364-2955

SPECIALITIES AND SUBSPECIALITIES: Pain management, oncology, and palliative care.

April Hazard Vallerand, PhD, RN, FAAN

Interim Associate Dean for Research, Interim Director of the PhD Program
Professor, Wayne State University College of Nursing
College of Nursing Alumni Endowed Professor
Detroit, MI

Member, Michigan Advisory Committee on Pain and Symptom Management (MCL333.16204a)

Contact information: ag1605@wayne.edu and 248-894-0483 cell

SPECIALITIES AND SUBSPECIALITIES: Pain control, assessment, and prevention and treatment of pain-related disparities.

Linda Vanni, RN, MSN, ACNS-BC, NP

Nurse Practitioner, Pain Management
St. John Providence Health System

Contact information: linda.vanni@stjohn.org; home 248-542-5528; cell 248-797-4300; pager 248-367-0436; work 248-849-3955

SPECIALITIES AND SUBSPECIALITIES: Acute, chronic, oncologic, and interventional pain management.

OTHER: Twenty-five years of experience in pain management including as a consultant, lecturer, educator, researcher, author, and clinical expert in pain management. Graduate nurse preceptor.
