

HAZMAT IQ

ABOVE THE LINE/BELOW THE LINE

WHEN: April 4, 2020 at 08:00

WHERE: Port Huron Township Fire Department

3848 Lapeer Road

Port Huron, MI 48060

WHAT:

The HazMat IQ Above The Line / Below The Line System is a patented program developed by experienced hazardous materials responders, taught in a straight forward, easy to understand methodology. This cornerstone course lays the foundation for all HazMat IQ Courses. Through the use of simplified flow charts, personnel are able to safely and efficiently respond to any known or unknown chemical/mixture. Students will be trained to size-up (physical state, hazards, initial hot zone, correct meters and PPE) of any chemical in seconds. The system uses a streamlined methodology to build upon the initial size-up, preparing them to immediately go to work when they arrive on a Hazardous Materials/WMD event. ***This training is FREE to attend.***

Register on SMOKE

This is an 8 hour class
