File No. 43-17-147991

ADMINISTRATIVE COMPLAINT

The Michigan Department of Licensing and Regulatory Affairs, by Kim Gaedeke, Director, Bureau of Professional Licensing, complains against Respondent as follows:

1. The Michigan Board of Medicine is an administrative agency established by the Public Health Code, MCL 333.1101 *et seq.* Pursuant to MCL 333.16226, the Board's Disciplinary Subcommittee is empowered to discipline persons for violations of the Public Health Code.

2. Respondent is currently licensed to practice medicine in the state of Michigan and holds a controlled substance license.

3. MCL 333.16233(5) provides, in pertinent part, as follows:

After consultation with the chair of the appropriate board or task force or his or her designee, the department may summarily suspend a license or registration if the public health, safety, or welfare requires emergency action in accordance with section

92 of the administrative procedures act of 1969, MCL 24.292.

4. MCL 333.16106a(c) defines substance abuse as a “substance use disorder as defined in section 100d of the mental health code, 1974 PA 258, MCL 330.1100d.”

5. MCL 330.1100d(11) defines substance use disorder as a “chronic disorder in which repeated use of alcohol, drugs, or both, results in significant and adverse consequences. Substance use disorder includes substance abuse.”

6. MCL 330.1100d(10) defines substance abuse as:

. . . the taking of alcohol or other drugs at dosages that place an individual’s social, economic, psychological, and physical welfare in potential hazard or to the extent that an individual loses the power of self-control as a result of the use of alcohol or drugs, or while habitually under the influence of alcohol or drugs, endangers public health, morals, safety, or welfare, or a combination thereof.

7. On April 15, 2014, Midland County Sheriff’s Deputies (deputies) received a report of a traffic accident causing property damage. At the scene, deputies discovered a 2012 Porsche registered to Respondent in a ditch on top of a mailbox. A witness reported that Respondent’s vehicle missed a turn in the road and went into a field. Respondent then tried to drive his vehicle back onto the roadway, hit a mailbox, and abandoned the vehicle. The witness stated that Respondent appeared highly intoxicated. Respondent fled the scene of the accident before the deputies arrived. Deputies made contact with Respondent at his home, and noticed Respondent swayed when he walked,

smelled of alcohol, and had slurred speech. Respondent refused to submit to a preliminary breath test (PBT), and the deputies obtained a warrant for a blood draw, which showed Respondent's blood alcohol content (BAC) at over 0.30. Respondent was transported to the hospital due to the high BAC.

8. On July 8, 2014, in the 75th District Court in Midland, Michigan, Respondent was convicted of Operating While Intoxicated, a misdemeanor not punishable by imprisonment for a maximum term of two years, in case number 14-0621-D01-SD. Respondent was sentenced to serve 93 days in jail (93 days suspended), followed by 12 months' probation, with terms, and ordered to pay fines and costs. A copy of the conviction documents, marked Exhibit A, is attached and incorporated.

9. On September 3, 2016, deputies received a report of a traffic accident, and the driver walking away from the area of the crash. At the scene, the deputies found Respondent's 2012 Porsche in a ditch adjacent to the roadway with damage to the vehicle. Witnesses at the scene told the deputies Respondent was staggering and asked the witnesses for a ride home. The deputies made contact with Respondent at his home. Respondent failed to successfully complete the requested field sobriety tasks, and his PBT showed a BAC of 0.27. After his arrest, Respondent submitted to a chemical breath test, which showed a BAC of 0.28 and 0.29.

10. On January 31, 2017, in the in the 75th District Court in Midland, Michigan, Respondent was convicted of Operating While Intoxicated - Second Offense, a misdemeanor not punishable by imprisonment for a maximum term of two years, in

case number 16-1471-D01-SD. Respondent was sentenced to serve 365 days in jail (360 suspended), followed by 12 months' probation, with terms, and ordered to pay fines and costs. A copy of the conviction documents, marked Exhibit B, is attached and incorporated.

11. Respondent failed to notify the Department of the above convictions within 30 days after the date of each conviction.

12. On April 20, 2017, Respondent self-reported to the Health Professional Recovery Program due to his September 3, 2016, alcohol related driving offense.

13. On April 27, 2017, Respondent completed an intake interview with HPRP and was directed to undergo an evaluation.

14. On May 25, 2017, Respondent underwent an evaluation and was diagnosed with Alcohol Use Disorder with Alcohol Abuse, Episodic. The evaluator recommended an intensive outpatient treatment program (IOP) followed by treatment monitoring.

15. On June 30, 2017, HPRP was notified that Respondent, while working in the operating room, became ill and had to leave abruptly. Respondent left the facility before he could undergo alcohol screening or drug testing.

16. On July 5, 2017, Respondent entered into an Initial Monitoring Agreement with HPRP, whereby Respondent agreed to enter into an IOP and have his treatment monitored by HPRP.

17. On July 12, 2017, Respondent was allowed to return to work with approval of HPRP and oversight of a worksite monitor.

18. On July 19, 2017, HPRP was notified that Respondent was arrested on July 17, 2017, for violating his probation due to another alcohol related driving offense.

19. On August 25, 2017, HPRP was informed that Respondent was in residential treatment from July 17 through August 18. Respondent was ordered to complete inpatient treatment by his probation officer due to two relapses in June 2017, and is facing a second probation violation.

20. On August 29, 2017, HPRP was informed by Respondent's IOP that he never entered in an IOP. During the IOP intake, Respondent minimized his history of drinking and stated that he had not imbibed alcohol since September 2016 and was in counseling for over a year. Due to Respondent's self-reported use date of September 3, 2016, he failed to meet the requirements for the IOP.

21. Also on August 29, 2017, HPRP decided to close Respondent's case non-compliant due to his failure to inform HPRP of his inpatient treatment, failure to maintain contact with HPRP after being denied admission to the IOP, continuing to work after relapse, and an arrest. HPRP subsequently forwarded the matter to the Department.

COUNT II

Respondent's conduct, as set forth above, evidences a departure from, or failure to conform to, minimal standards of acceptable and prevailing practice for the health profession, whether or not actual injury to an individual occurs, in violation of MCL 333.16221(b)(i).

COUNT VI

Respondent's conduct, as set forth above, evidences a failure to notify the Department of a criminal conviction within 30 days after the date of the conviction, as required by MCL 333.16222(3), in violation of MCL 333.16221(f).

This Complaint is based upon files and records maintained by the Department and the attached Affidavit of Terri Schrauben.

RESPONDENT IS NOTIFIED that, after consultation with the chairperson of the Board, or his or her designee, and pursuant to MCL 333.16233(5), the Department states that the public health, safety, or welfare requires emergency action, and, accordingly, Respondent's license to practice medicine in the state of Michigan is summarily suspended, pending a hearing and final determination of this matter.

RESPONDENT IS FURTHER NOTIFIED that, pursuant to MCL 333.16231(8), Respondent has 30 days from the date of receipt of this Complaint to answer this Complaint in writing and to show compliance with all lawful requirements for

licensure. Respondent shall submit the response to the Bureau of Professional Licensing, Department of Licensing and Regulatory Affairs, P.O. Box 30670, Lansing, MI 48909.

Respondent's failure to submit an answer within 30 days is an admission of the allegations in this Complaint. If Respondent fails to answer, the Department shall transmit this Complaint directly to the Board's Disciplinary Subcommittee to impose a sanction, pursuant to MCL 333.16231(9).
