The following items are requirements approved by the State Construction Code Commission. Bureau of Construction Code staff will not review or analyze these documents. Only documents received 60 days prior to the date of the Commission meeting will be included in the Commission agenda packet for their review.

Reason for application. This would include indicating how permit applications and inspections are currently being handled and how this will be improved by changing who is enforcing the codes.

Identify affected parties. This would include what impact this will have on the agency currently enforcing the codes and how the change will improve the service to the end user.

Registration of governmental subdivision and enforcing agency personnel. Indicate that the Building Official is employed by the municipality and include copies of any contracts with private contractors.

Indicate makeup of **Construction Board of Appeals** members and provide process and forms for appeal.

List of administrative personnel and services provided including FOIA, document retention schedule and location of records/documents.

Provide drafts of all public facing documents including permits, correction/violation notices, certificate of occupancy, notice to appear or show cause and stop work orders.

Indicate your **process for establishing reasonable fees.**

Provide draft of proposed fees for permits, plan reviews, inspections, certificate of use and occupancy and registration of licenses.

Provide copies of draft budget for the department. If a private company is being used and a percentage of the fees collected will be returned to the municipality provide budget indicating how that money will be used.
