

POLICY ON THE APPLICATION FOR CERTIFICATE OF AUTHORITY
TO TRANSACT BUSINESS IN MICHIGAN BY A
FOREIGN LIMITED LIABILITY COMPANY

Section 1002 of the Limited Liability Company Act, PA 23 of 1993, provides for what must be included in an application for a Certificate of Authority. Section 1003 provides that a Certificate of Authority permits the foreign limited liability company to transact in the state any business that a domestic limited liability company may lawfully transact.

Pursuant to Section 1002(f) the Corporation Division will require the Application for a Certificate of Authority to contain a statement of the specific purposes or type of business to be conducted in the state. In addition, the application shall be accompanied by a Certificate of Good Standing from the jurisdiction in which the foreign limited liability company is organized, executed by the official of the jurisdiction who has custody of the records pertaining to limited liability companies dated no earlier than 30 days before the date of submission of the application.

The statement of purposes and good standing certificate are necessary to enable the department to determine whether the limited liability company is entitled to transact business in this state.

The above policy shall be effective June 1, 1993, and remain in effect unless rescinded or modified by the Bureau Director.
