A new building or a building that is altered shall not be used or occupied until a Certificate of Occupancy is issued by the code official.

The permit holder or their authorized agent must request a Certificate of Occupancy upon the completion of the project. This must be a written request, which includes the building, electrical, mechanical, plumbing, boiler and elevator permit numbers, the plan review submission number and the Bureau of Fire Services project number (for Schools only).

A Certificate of Occupancy cannot be issued until all fees are paid, permits are finalized and the work covered by a building permit has been completed in accordance with the permit, the code, and other applicable laws and ordinances.

If an electrical, mechanical, plumbing, boiler or elevator permit, plan review submission or Fire Services project is not required write "not applicable" on the request form in the appropriate space.
