Updating Your Account:
Adding a License:

By adding a professional license you may gain access to additional features in the Citizen Portal. Select a license type and enter a license number to look up your license. Your license must be valid and active to be added to your citizen account. If your license does not display, contact the Agency. In certain circumstances, such as license-right by proxy through an employer, even after identifying your license(s), an Agency employee must perform additional validation. In these cases, **your access to certain features of the Citizen Portal may be limited pending approval.**
