--

FIRE ALARM SPECIALTY TECHNICIAN EXAMINATION REQUIREMENTS

- To be eligible for examination, an applicant must have reached the age of 20 years and be certified by the National Institute for Certification in Engineering Technology (NICET) as an associate of engineering technician, level II, or the equivalent as determined by the Electrical Administrative Board, in the field of fire alarm systems technology.
- **Attach NICET certificate to this application.**

SIGN SPECIALIST EXAMINATION REQUIREMENTS

- To be eligible for examination, an applicant must have reached the age of 18 years and provide notarized documentation from present and former employers with beginning (month, day, year) and ending (month, day, year) dates of employment with not less than 4,000 hours of experience, obtained over a period of not less than 2 years, related to the manufacture, installation, maintenance, connection or repair of electric signs and related wiring, as verified by a contractor license under the act.
- **Attach documentation showing completion of a sign specialist training course.**

If you have a disability and require an accommodation to take the examination, please submit written documentation from a professional (education professional, doctor, psychologist, psychiatrist) to certify that your disabling condition requires the requested test accommodation.

Certification and Signature of Applicant

I certify the information provided is true and accurate to the best of my ability and I have the experience required for this examination. I further understand falsification of any statement is cause for rejection of this application or revocation of license, if issued.
