This public hearing will give the Commission an opportunity to receive comments from the public on the proposed annexations and gather information relative to the review criteria outlined in Section 9, MCL 123.1009, of the State Boundary Commission act, 1968 PA 191, and noted as follows:

Population; population density; land area and land uses; assessed valuation; topography, natural boundaries and drainage basins; the past and probable future urban growth, including population increase and business, commercial and industrial development in the area, need for organized community services; present cost and adequacy of governmental services; probable future needs for services; practicability of supplying such services; probable effect of alternative courses of action on the cost and adequacy of services, probable increase in taxes in relation to the benefits expected to accrue; and financial ability of the municipality to maintain urban type services.

The purpose of this hearing is for the Commission to receive comments from the public and interested parties. No vote will be taken or decisions made by the Commission at this hearing. After considering the entire record of proceedings on this docket, the Commission will make a recommendation at an adjudicative meeting on whether to approve or deny the petition proposing annexation.

Oral or written comments may be presented in person at this hearing on **Wednesday, February 3, 2016**. The City of Ann Arbor and Ann Arbor Charter Township will be allotted ten minutes for initial presentations and five minutes for rebuttals. Members of the general public may take up to three minutes for comment.

Following the public hearing, written comments may be submitted by mail or email.
