RE: Petition for Incorporation of the Village of Ovid as a Home Rule City

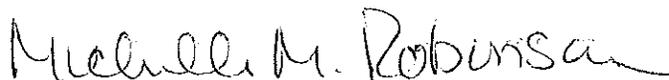

Per your request, I have validated and certified the signatures on the above referenced petitions. I have coded each entry:

RV – Registered Voter
L – Landowner

I had some that were not listed as landowners and those are listed as (not L), I had some that had signed more than one petition and those are listed as (Dup), I had some that the address they listed on the petition is different from what is listed in their Qualified Voting Record and those are listed as (w add), I had a few that were deceased and are listed as (Dec), I had a few that were not registered voters listed as (Not RV). There were 204 signatures submitted for verification and I was able to verify 171.

I attest that this validation was performed to the best of my ability, per the records available to us relevant to each petition signer's status.

Sincerely,

Michelle M. Robinson

PETITION FOR CITY INCORPORATION

PART V

We further represent that the incorporation proposed in this petition is necessary or desirable at this time for the following reasons:

The Village of Ovid was incorporated 1867. It currently encompasses approximately one square mile with a population of 1603 according to the 2010 census. The overwhelming majority of the Village is part of Ovid Township in Clinton County. Two small parcels are part of Middlebury Township in Shiawassee County. The Village believes that the advantages to becoming a city include, but are not limited to the following:

Briefly listed are the capital investments and services currently provided to Village residents:

Water -- Over 12 miles of water mains, three wells and corresponding services, which include iron removal as well as two elevated storage tanks. Water service is provided to the entire Village and to a manufactured housing park with over 50 sites along with a 500 student/staff elementary school outside the village limits.

Sewer -- Over 17 miles of sanitary sewer lines, tertiary treatment with four lagoons, an equalization basin and corresponding services. Sewer service is provided to the entire Village, a manufactured housing park, elementary school, and a Middle School/ High School complex of more than 1,200 students & staff.

Streets – The Village maintains approximately eight miles of roadway. Full maintenance is provided including snow removal. The Village contains no unpaved streets. The Department of Public Works is housed in an approximately 4900 square foot facility that includes a separate salt storage area.

Police Protection - The Village provides police services for 125 hours out of 168 per week. The Village has a mutual aid agreement with the Clinton County Sheriff's Office, which allows Village officers to assist the Sheriff Department outside the Village limits.

Emergency Services - The Village is a member of the Ovid/Middlebury Emergency Services Authority that provides both fire and ambulance services to its residents. Funding is provided by a separate levy in each township of 2.25 mills voted on in 2008 which is extended until 2023.

Garbage/Recycling – A contracted company provides this service weekly.

Cemetery – The Village is a member of the Maple Grove Cemetery Authority. The Authority also includes Ovid Township and Middlebury Township.

Library – The Village is a member of the Ovid Public Library which is a District Library that belongs to the White Pine Library Cooperative.

Local Administration – The Village has a full time Clerk, Treasurer and part time Deputy Clerk and Treasurer.

Parks & Recreation – The Village maintains three parks that encompass approx. 52 acres of land including four baseball/softball fields, two football/soccer fields, pavilions and picnic areas along with indoor restroom facilities.

Parking lots – The Village maintains three municipal parking lots downtown that provide free parking.

Facilities – The Village owns three water wells, a lagoon tertiary treatment facility and associated sewer lines, a D.P.W. building for repair and storage of equipment, a Municipal Building housing the Village offices, police department and the Ovid/Middlebury Emergency Services Authority. The Village and Ovid Township have no shared facilities.

The Village currently has a SEV of \$38,357,73. The current taxable value is \$37,509,710. The Village currently levies 11.8397 mills for operations & 1.7118 mills for garbage/recycling. The Village's SEV is approximately 30% of the total SEV in Ovid Township.

Economic Structure – The Village has a downtown retail & service community along with a strong economic presence along State Highway M-21. The industry base is anchored by the Michigan Milk Producers Association plant that recently completed a \$68 million dollar expansion and is the Village's largest employer. Ovid is also the long time home for manufacturing companies Research Tool and Clinton Machine. The Ovid Healthcare Center is a 94 bed facility that provides care and rehabilitation services for the elderly.

Schools – The Ovid-Elsie School District's alternative and early education building is located within the Village limits bordering Roy Gumear Memorial Park. Leonard Elementary School (grades K-3) is located one block east of town with water/sewer services provided for it by the Village. The districts Middle/High School is north of town with sewer hook up provided by Ovid.

A Village is by statute a subservient unit of government that exists under a Township. Incorporating into a City would allow the residents of the Village to create their own Charter, which meets the specific needs of Ovid, as the City's official governing document.

Cityhood would allow residents to deal with one form of government, not two and would eliminate the subsidizing of overlapping or unnecessary services between the Village and the Township. Residents would be able to pay all of their property taxes in one location. This would eliminate any confusion for current residents, as well as new residents who often move into the Village unaware that they are responsible for Village and Township tax bills. All Village residents would also be able to register to vote and participate in all elections without leaving Village boundaries.

We, the people of the Village of Ovid, hereby petition the State of Michigan to be allowed to elect a Charter Commission, and create and vote on a City Charter under the Home Rule City Act.
