**County Requirements to Voluntarily Enter Their
Perpetual Monument Maintenance Plan**

If a county chooses to proceed to their maintenance program pursuant to MCL 54.274(2) and described in MCL 54.268(2)(d), the county must file a letter with the State indicating their intent by August 1 of the year preceding the grant year in which they will transition.

The letter from the county must be issued by the Grant Administrator and contain statements and acknowledgements similar to the following:

The County of _____ under MCL 54.274(2) is voluntarily choosing to proceed to the program described in MCL 54.268(2)(d) starting with the _____ grant year.

The County of _____ understands that after voluntarily choosing to proceed to the program described in MCL 54.268(2)(d) they will receive funding pursuant to MCL 54.272(3)c.

The County of _____ understands that voluntarily choosing to proceed to the program described in MCL 54.268(2)(d) does not exempt them from completing the work outlined in the program described in 54.268(2)(a) and adopted in their county plan.
