

1 Who Should Attend . . .

This program is a must for anyone concerned about health and safety on the job including:

- ▶ Managers concerned about workers' compensation costs.
- ▶ Employees who want to learn proper techniques for protecting their safety and health at work.
- ▶ Business owners who want to learn about compliance with Michigan Occupational Safety and Health Administration (MIOSHA).

2 MIOSHA Training Institute

MIOSHA Consultation Education and Training (CET) Division and Macomb Community College (MCC) have developed the MIOSHA Training Institute (MTI) through a formal alliance. The MTI introduced an Assessment-Based Certificate program, effective October 1, 2007. The certificate program offers participants an opportunity to be recognized for their educational efforts and increased technical expertise. Courses are offered throughout the state in sponsorship with other M-TECSM facilities, community colleges, and safety and health organizations. To learn more about the certificate program, log-on to the CET Division website at www.michigan.gov/mti.

3 What You'll Learn . . .

This full-day course was developed to teach participants: the requirements of Part 451, Respiratory Protection (1910.134), the necessary elements of a written respiratory protection program, MIOSHA interpretations of common questions about the Respiratory Protection Standard, and the most common violations associated with the standard.

**Required Class For
Occupational Health
MTI Certificate**

Agenda

*We offer a flexible
program agenda
to emphasize the
health and safety
topics you
want most.*

- ▶ Explain permissible practice for respirators.
- ▶ Develop and implement a written respiratory protection program.
- ▶ Identify the correct respirator selection for employee protection.
- ▶ Identify potential respirator violations.

The meeting site and parking is accessible. Individuals attending the meeting are requested to refrain from using heavily scented personal care products, in order to enhance accessibility for everyone. People with disabilities requiring additional services (such as materials in alternative format) in order to participate in the meeting should call 517-284-7720 at least 30 days before the program. The Department of Licensing and Regulatory Affairs is an equal opportunity employer/program.

New

MIOSHA Education Training Materials Have Gone Electronic

MIOSHA Training Institute (MTI) has changed the delivery of its printed education materials to an electronic format.

The student training manual and course reference materials will be provided in electronic format via email for students to download and print before class if they wish.

No hard copy textbook will be provided at the class. Upon arrival at class, each student will also receive a flash drive containing these materials which is theirs to keep. If you wish to bring a copy to class, you have the option to **download and/or print** the course materials in advance.

Important: When registering for this class, please provide your complete email address.

Remember to download your course handouts ahead of time!

Frequently Asked Questions

Q: Will I be able to print my materials at the seminar or workshop?

A: No printing services will be available. Print or download the presentation slides before you arrive for the class.

Q: What electronic format will the handouts be in?

A: All materials will be available as PDF documents.

Q: Will I be able to charge my device at the seminar or workshop?

A: We recommend that your device is fully charged before you arrive. Charging stations may not be available in the classroom.

Q: What happens if I do not receive an email?

A: In the unlikely event that you do not receive the link via email, please call the contact number listed on the next page for assistance.

Facilitator

Jenelle Thelen is an Industrial Hygienist with MIOSHA Consultation Education and Training serving the lower central Michigan region. She rejoined MIOSHA in June, 2012 adding to her previous service with MIOSHA CET from 2000-2005.

Jenelle has over 25 years of experience in industrial hygiene, occupational safety and environmental regulatory compliance. Her work experience includes: laboratory and regulatory compliance within industrial manufacturing; Training Manager and Associate Director of Safety for the University of Kansas Medical Center; Nursing Home Consultant/Trainer for the Lansing Area Safety Council; and Safety & Health Coordinator for the Michigan Department of Community Health.

Jenelle has a Master of Science in Industrial Hygiene from the University of Central Missouri and a Bachelor of Science in Secondary Education – Science.

Jenelle Thelen
*Senior Industrial Hygienist,
MIOSHA, CET Division*
