

Part 85 - Control of Hazardous Energy Sources

1 Who Should Attend . . .

This seminar is a must for anyone concerned about health and safety on the job including:

- ▶ Managers concerned about liability and workers' compensation costs.
- ▶ Employees who want to learn proper techniques for protecting their safety and health at work.
- ▶ Business owners who want to learn about compliance with Michigan Occupational Safety and Health Administration (MIOSHA).

2 MIOSHA Training Institute

MIOSHA Consultation Education and Training (CET) Division and Macomb Community College (MCC) have developed the MIOSHA Training Institute (MTI) through a formal alliance. The MTI introduced an Assessment-Based Certificate program, effective October 1, 2007. The certificate program offers participants an opportunity to be recognized for their educational efforts and increased technical expertise. Courses are offered throughout the state in sponsorship with other M-TECSM facilities, community colleges, and safety and health organizations. To learn more about the certificate program, log-on to the CET Division website at www.michigan.gov/mti.

3 What You'll Learn . . .

This one day seminar will thoroughly discuss the requirements of MIOSHA Part 85, Control of Hazardous Energy Sources. Topics include: a complete review and interpretations of the standard; lockout and tagout requirements; minor tool change exceptions; energy control procedures and exceptions; periodic inspections; and employee training. Interactive discussions and exercises have been designed to enforce the concepts presented.

The meeting site and parking is accessible. Individuals attending the meeting are requested to refrain from using heavily scented personal care products, in order to enhance accessibility for everyone. People with disabilities requiring additional services (such as materials in alternative format) in order to participate in the meeting should call 517-284-7720 at least 30 days before the program. The Department of Labor and Economic Opportunity is an equal opportunity employer/program.

Facilitator

Jennifer Clark-Denson joined MIOSHA in September of 1998 where she spent time as a General Industry Safety Officer with responsibility for inspecting a wide variety of work operations to observe and identify potential violations of MIOSHA safety standards.

Jennifer is currently a Senior Safety Consultant with CET (Consultation Education and Training). Jennifer has served on many MIOSHA work committees, authored fact sheets, championed and piloted several MTI classes and assisted in the mentoring of new MIOSHA personnel. Jennifer currently provides occupational safety services to Lenawee, Monroe, and Wayne counties. She has both a Bachelor's degree in Industrial and Environmental Health Management from Ferris State University, and a Master's degree in Human Resource Management from Davenport University.
