

Part 1 General Provisions

1 Who Should Attend . . .

This seminar is a must for anyone concerned about health and safety on the job including:

- ▶ Managers concerned about liability and workers' compensation costs.
- ▶ Employees who want to learn proper techniques for protecting their safety and health at work.
- ▶ Business owners who want to learn about compliance with Michigan Occupational Safety and Health Administration (MIOSHA).

2 MIOSHA Training Institute

MIOSHA Consultation Education and Training (CET) Division and Macomb Community College (MCC) have developed the MIOSHA Training Institute (MTI) through a formal alliance. The MTI introduced an Assessment-Based Certificate program, effective October 1, 2007. The certificate program offers participants an opportunity to be recognized for their educational efforts and increased technical expertise. Courses are offered throughout the state in sponsorship with other M-TECSM facilities, community colleges, and safety and health organizations. To learn more about the certificate program, log-on to the CET Division website at www.michigan.gov/mti.

3 What You'll Learn . . .

This one day seminar thoroughly discusses the requirements of MIOSHA Part 1, General Provisions. Topics include: complete review and interpretation of the standard; employer and employee responsibilities; terms and definitions; basic machine installations and controls; guards and devices used in industry; disconnects and lockouts; and specific guarding requirements. Interactive discussion and exercises have been designed to enforce the concepts presented.

Agenda

We offer a flexible program agenda to emphasize the health & safety topics you want most.

- ▶ Horizontal vs. Vertical Standards
- ▶ Employee and Employer Responsibilities
- ▶ Housekeeping and Storage Requirements
- ▶ Basic Machine Guarding Options
- ▶ Examples of Acceptable Guarding
- ▶ Specific Machine Guarding Requirements
- ▶ Point of Operation and Pinch Points

The meeting site and parking is accessible. Individuals attending the meeting are requested to refrain from using heavily scented personal care products, in order to enhance accessibility for everyone. People with disabilities requiring additional services (such as materials in alternative format) in order to participate in the meeting should call 517-284-7720 at least 30 days before the program. The Department of Licensing and Regulatory Affairs is an equal opportunity employer/program.

Facilitator

Valerie Chunko joined MIOSHA in 2000 as a Safety Officer in the General Industry Safety and Health Division. Duties and responsibilities included inspecting a variety of workplaces to evaluate their compliance with state occupational safety rules, investigating employee complaints, industrial accidents, and workplace fatalities.

Prior to joining MIOSHA, Valerie held multiple positions including: Quality, Safety, and Security Officer for a prime defense contractor conducting inspections, training, and developing programs; advisor for a consulting firm in the Detroit area where her duties included providing safety oversight for construction activities; and safety coordinator for a utility company coordinating programs, training, and personal protective equipment purchases.

Valerie has an Associate's degree in Quality Assurance from St. Clair County Community College and an Instructor Certification from Macomb Community College. Valerie joined the Consultation Education and Training Division in 2008, and provides consultation and training services for workplaces in Genesee, Huron, Lapeer, Sanilac, St. Clair, and Tuscola counties, and the northern portion of Oakland County.
