

Advanced Accident Investigation

1 Who Should Attend . . .

This seminar is a must for anyone concerned about health and safety on the job including:

- ▶ Managers concerned about liability and workers' compensation costs.
- ▶ Employees who want to learn proper techniques for protecting their safety and health at work.
- ▶ Business owners who want to learn about compliance with Michigan Occupational Safety and Health Administration (MIOSHA).

2 MIOSHA Training Institute

MIOSHA Consultation Education and Training (CET) Division and Macomb Community College (MCC) have developed the MIOSHA Training Institute (MTI) through a formal alliance. The MTI introduced an Assessment-Based Certificate program, effective October 1, 2007. The certificate program offers participants an opportunity to be recognized for their educational efforts and increased technical expertise. Courses are offered throughout the state in sponsorship with other M-TECSM facilities, community colleges, and safety and health organizations. To learn more about the certificate program, log-on to the CET Division website at www.michigan.gov/mti.

3 What You'll Learn . . .

The program is planned for one day. Provide participants with a working knowledge of conducting an investigation using proper techniques for reducing the frequency and severity of occurrences. The training will include class discussions, exercises, with small group breakout sessions for case studies and other activities.

Agenda

We offer a flexible program agenda to emphasize the health and safety topics you want most.

Participants will:

- ▶ Define Common Terms Used in Accident Investigations
- ▶ Explain the Need for Accident Investigations
- ▶ Provide the Tools Necessary to Properly Complete Accident Investigations
- ▶ Four Techniques for Conducting an Investigation
- ▶ Understand the Reporting Requirement to MIOSHA
- ▶ Explain the Benefits of Accident Investigations

New

MIOSHA Education Training Materials Have Gone Electronic

MIOSHA Training Institute (MTI) has changed the delivery of its printed education materials to an electronic format.

Before a seminar or workshop, registered attendees for this class will receive an e-mail with a link and instructions for accessing electronic presentation slides. The handout can be printed in advance or downloaded onto a laptop, tablet or smartphone to view during the seminar or workshop. A flash drive will be provided at the class which will include additional handouts and reference materials.

Important: When registering for this class, please provide your complete email address.

Remember to download your course handout ahead of time!

Frequently Asked Questions

Q: How will I receive my materials?

A: You will receive an e-mail from this cosponsor, which will include instructions and a link to the MIOSHA website. Download the handout to your computer or other device before traveling to the class. Additional materials will be provided to you in class on a flash drive.

Q: Which e-mail address will materials be sent to?

A: The link will be sent to your e-mail address. Make sure that you provide us with your valid e-mail address (where you want the handout link to be sent).

Q: Will I be able to print my materials at the seminar or workshop?

A: Print or download the presentation slides before you arrive for the class. No printing services will be available.

Q: What electronic format will the handouts be in?

A: All materials will be available as PDF documents.

Q: Will I be able to charge my device at the seminar or workshop?

A: We recommend that your device is fully charged before you arrive. Charging stations may not be available in the classroom.

Q: What happens if I do not receive an email?

A: In the unlikely event that you do not receive the link via email, please call the Contact Number listed on the next page for assistance.

Facilitator

Karen was appointed to the Consultation Education and Training Division of MIOSHA in 1992. She is a Senior Occupational Safety Consultant working in Oakland County providing consultative advice and training opportunities for both employers and employees. Prior to her position at the agency, Karen worked as a Loss Control Consultant in the insurance industry, which gave her insight to workers' compensation, property and liability issues while assisting clients with their safety programs.

Karen graduated from Grand Valley State University with a Bachelor's degree in Occupational Safety and Health.
