## PSYCHOLOGY SUPERVISION EVALUATION

Authority: 1978 PA 368

A separate form must be completed by each supervisor who is verifying your Psychology experience.

If the experience is gained in Michigan the supervisor must be a licensed Psychologist. Any variation from fully licensed supervision requires a written request that will go before the Board of Psychology and is required to be submitted prior to supervision. If the Psychology experience is gained in another state, the supervisor must hold an equivalent license, certificate, or registration in that state.
