Social District Permit Information For Local Governmental Units

Pursuant to MCL 436.1551, the governing body of a local governmental unit may designate a Social District within its jurisdiction. Qualified licensees whose licensed premises are contiguous to the commons area within the Social District, and that have been approved for and issued a Social District Permit, may sell alcoholic liquor (beer, wine, mixed spirit drink, spirits, or mixed drinks) on their licensed premises to customers who may then consume the alcoholic liquor within the commons area of the Social District. The commons area is not considered part of the licensed premises for any of the licensees that hold a Social District Permit.

The term commons area is defined by MCL 436.1551(8)(a):

"Commons area" means an area within a social district clearly designated and clearly marked by the governing body of the local governmental unit that is shared by and contiguous to the premises of at least 2 other qualified licensees. Commons area does not include the licensed premises of any qualified licensee.

The term qualified licensee is defined by MCL 436.1551(8)(c):

"Qualified licensee" means any of the following:

- *A retailer that holds a license, other than a special license, to sell alcoholic liquor for consumption on the licensed premises. (This includes the following license types: Class C, Tavern, A-Hotel, B-Hotel, Club, G-1, G-2, Brewpub.)*
- *A manufacturer with an on-premises tasting room permit issued under section 536.*
- *A manufacturer that holds an off-premises tasting room license issued under section 536.*
- *A manufacturer that holds a joint off-premises tasting room license issued under section 536.*

A list of all licensees, sorted by county and local governmental unit, may be found on the MLCC website:

The governing body of a local governmental unit may designate a Social District pursuant to MCL 436.1551 under the following conditions:

- Designate a Social District that contains a commons area, as defined in MCL 436.1551(8)(a).
- Establish local management and maintenance plans, including hours of operation, for a commons area.
- Define and clearly mark with signs the designated commons area.
- A governing body of a local governmental unit shall not designate a Social District that would close a road unless the governing body receives prior approval from the road authority with jurisdiction over the road.
- The governing body shall maintain the commons area in a manner that protects the health and safety of the community.
- The governing body may revoke the designation if it determines that the commons area threatens the health, safety, or welfare of the public or has become a public nuisance. Before revoking the designation, the governing body must hold at least 1 public hearing on the proposed revocation. The governing body shall give notice as required under the open meetings act of the time and place of the public hearing before the public hearing.
- The governing body shall file the designation or revocation of the Social District with the MLCC.

Before applying to the MLCC for a Social District Permit, a qualified licensee must first obtain approval from the governing body of the local governmental unit. A fillable resolution for this approval is part of the [Social District Permit Application \(LCC-208\)](#).
