Subject: Program Year 2019 List of Eligible Providers of Work-Based Activities and Local MWA Program Contact Person(s)

Programs Affected: Workforce Innovation and Opportunity Act (WIOA) Adult and Dislocated Worker Programs Administered by the MWAs

References: The WIOA of 2014, Public Law 113-128 (29 United States Code Section 3101, *et. seq.*)

Section 682.200(b)(2) of the WIOA Final Regulations as Published in the Federal Register on August 19, 2016

Rescissions: None

Background: The WIOA presents an extraordinary opportunity to improve job and career options for our nation's workers and job seekers through an integrated, job-driven public workforce system that links diverse talent to businesses. The WIOA supports the development of strong, vibrant regional economies where businesses thrive, and people want to live and work. This revitalized workforce system will be characterized by three critical hallmarks of excellence:

- (1) The needs of business and workers drive workforce solutions.
- (2) One-Stop centers provide excellent customer service to workers, job seekers, and employers; and focus on continuous improvement.
- (3) The workforce system supports strong regional economies and plays an active role in the community, economic and workforce development.

The WIOA requires each state to disseminate a list of eligible providers of the following work-based training and non-training activities, and to assure that information is widely available for:

- On-the-Job Training.
- Customized Training.

LEO is an equal opportunity employer/program.

Auxiliary aids, services and other reasonable accommodations are available upon request to individuals with disabilities.

- Internships.
- Paid or Unpaid Work Experience Opportunities.
- Transitional Jobs.

Policy:

The Michigan Department of Labor and Economic Opportunity-Workforce Development (LEO-WD) will compile an updated listing of eligible providers of WIOA work-based activities based on information received from the MWAs. A form to record eligible provider information is attached (Attachment A) for MWA use.

Please Note: Provider contact information, including the name and location (city) must be specified **in its entirety**. For each provider listed, check all work-based activities that apply. Please ensure all entries are complete prior to submission. Incomplete entries will be returned to the MWA for revision.

A composite listing of eligible providers of work-based activities will be disseminated to all MWAs via a memo and made available upon request. One use for this listing is to provide local areas with work-based provider names to provide information about effective outreach and partnerships with business. WD will update the listing on a program year basis.

A second form has been attached (Attachment B) to provide the WD with a list of local MWA Adult and Dislocated Worker program contact person(s) for work-based training and non-training activities. This information will be available by request but will be primarily maintained internally and disseminated to the MWAs via the aforementioned memo.
